NAZIS FLEEING ADRIATIC END OF THE FRONT

Enemy Falls Back Abandoning Great Quantities of Munitions and Equipment

THOUSANDS CAPTURED

BULLETIN
Allied Headquarters, Algiers, Dec. 2.—(P)—American Flying Fortresses lashed out at the newly constructed Nazi submarine base at Marseille in southern France for the first time today simultaneously with the disclosure they had nipped a German attempt to refloat French fleet units scuttled at the naval base of Toulon.

By NOLAND NORGAARD
Allied Headquarters, Algiers, Dec. 2.—(P)—Driven from the Adriatic end of their heavily fortified winter line, the Germans were in retreat before the victorious British Eighth Army today, abandoning great quantities of equipment after suffering heavy casualties and losing more than 2,000 prisoners.

The Algiers radio announcer said, "in fierce hand to hand, yard to yard fighting the Eighth Army is dislodging the enemy on a 25-mile front and pressing him back towards Pescara. They are mopping up enemy resistance centers."

Gen. Sir Bernard L. Montgomery's British, Indian and New Zealand divisions smashed forward as much as three miles yesterday.

UNRATED VENISON SOUGHT FOR LARDERS

Harrisburg, Dec. 2.—(P)—Non-resident hunters are flocking to Pennsylvania for the deer season apparently in an effort to share unrationed venison for the winter.

Escort Aircraft Carrier Is Sunk

Washington, Dec. 2.—(P)—The United States escort aircraft carrier Liscome Bay, was torpedoed and sunk by a Japanese submarine during the Gilbert Island operations, and was the only American vessel lost during the engagement, the navy announced today.

The Gilbert engagement itself has been described as one of the bloodiest in the Pacific area. Rear Admiral Henry M. Mullins, reported missing, was said by the navy to have been aboard the carrier.

Captain Irving D. Wiltse, commander of the Liscome Bay, also reported missing in action.

Steelworkers To Ask Wage Increase

Pittsburgh, Dec. 2.—(P)—A 17-ants-an-hour wage raise, a guaranteed weekly wage, and a severance pay allowance are among the objectives sought by the United Steelworkers of America in their forthcoming drive to upset the first four Blanks of a 22-point program submitted by the international executive board.

'Future Military Operations Against Japan'

These are the "future military operations against Japan" mapped at the North Africa conference of the three Allied leaders, America's President Roosevelt, Britain's Prime Minister Churchill and China's President Chiang Kai-Shek. Quotations from the official communiqué on the meeting are shown along with the Jap-held Pacific and Far East areas to which they refer.

Repatriates News Leakage Responsibility Predict Long War In Pacific

Jersey City, N. J., Dec. 2.—(P)—American repatriates from the Far East headed for their homes throughout the nation today with a grim feeling that a long, hard struggle lies ahead in the Pacific.

One after another said upon stepping from the Swedish exchange liner Gripsholm to American soil that the morale of the Japanese people still was high, whatever doubts might assail the warlords.

EMERGENCY RELIEF OPENING OFFICES

Baltimore, Dec. 2.—(P)—Headquarters for Army Emergency Relief have been opened in three Pennsylvania cities—at Pittsburgh for the 25 western Pennsylvania counties, at Harrisburg for the central part of the state, and at Philadelphia for the eastern area.

These offices will handle all requests for emergency assistance from army personnel and their dependents. The AER is supported by membership fees from soldiers and officers, by donations, gifts and contributions, and by entertainments, shows and benefits held in its behalf.

First Appeal Is Received From Old Alias Santa Claus

With that same jolly countenance that has irradiated happiness in Warren for many years, old Alias Santa Claus bounded into the Times-Mirror office yesterday afternoon. "Hey! hey!" he exclaimed, "what's the matter with you fellows? Here it is the first of December and not a word in your paper reminding the folks that this is going to be a tough old winter and there will be many who will not have a Merry Christmas unless you and I get busy. Why, we ought to have a lot of money piled up already for a Yuletide observance for many kids and a bit of money to stretch over the year to make the going a little softer for a lot of folks."

News Leakage Responsibility Scored In House of Commons

British Information Minister Is Questioned About Reuters Broadcast

ELMER DAVIS IS IRKED

By ERNEST AGNEW
London, Dec. 2.—(P)—Ernest Benn, British information minister, answering questions in Commons today aimed at placing responsibility for the world-wide news leakage on the North Africa conference said that "in my opinion such meetings ought to be absolutely security conferences in the future."

Apparently he meant that absolutely nothing should be printed about conferences from any source until the official news is released.

Bracken was put on the carpet with questions regarding both the ministry and the British Broadcast.

The three, whose bodies were found close together on a one-story extension of a mid-town hotel (Henry Hudson), were identified as Mrs. Mary Lindsay Tomlinson, 34, and her sons, Michael, 18, and John, 16.

HUGE FORCES OF RESERVES ATTACKING

In Spite of Stiffening Resistance Russians Insist They Are Holding Their Lines

SOME SLIGHT ADVANCES

London, Dec. 2.—(P)—Huge forces of German reserves are attacking all along the 600-mile eastern front in a desperate bid to regain control of vital communications and supply lines and halt the surging Russian drive to the old Polish border, Moscow reported today.

The Russian declared, however, that they were holding their lines against the fierce Nazi onslaughts, and even announced slight advances in White Russia and in the Dnieper bend.

But the intensity of the fighting heightened, front dispatches to Moscow newspapers indicated, as both sides sought to improve their positions.

German defenses southwest of Kremenich in the Dnieper bend, Moscow said, were crashed by Red Army troops, who held their gains against 15 mounded counter-attacks. At the Chterkasy bridgehead, north of Kremenich, soviet forces battled their way toward the rail junction of Smela, beating down German counter-smashes, capturing many prisoners, 16 planes and 26 tanks, the Soviet communiqué declared.

In White Russia, Soviet troops plodded steadily ahead through intermediate German defenses northwest of Gomel to capture several villages on the road to Zhlobin. Other white-clad Red Army soldiers crossed the Pripiet river to the south to capture Narov, 14 miles east of Yelsk, Russian-held town on the Leningrad-Odessa railway, between Ovruch and Mozyr.

McKean Co. Reports Many Illegal Kills

Kane, Dec. 2.—(P)—Wanton killing of deer and spike bucks many of them shot and left in the woods, was reported today by Game Protector William E. Carpenter.

Antlerless deer are on the illegal kill list. After the two-week season which opened Monday ends, killing of deer will be permitted in seven counties specified by the game commission.

Carpenter, who said between 300 and 500 bucks were slain in the first three days of deer season, reported the carcass of a 200-pound bear, also on the illegal kill list, was found in Elk county.

Another "First" For Family of Destiny

Washington, Dec. 2.—(P)—China's destiny family—the Soongs—accomplished another "first" today. Tiny, sparkling Mayling is the first woman ever to participate in a war conference of the magnitude of the Cairo parley.

The American-educated wife of Generalissimo Chiang Kai-Shek was a ranking participant in meetings with President Roosevelt and Prime Minister Churchill.

Since the General's accession to the leadership of China 10 years ago, his wife has been increasingly influential in the conduct of China's affairs at home and abroad.

Allied Forces Concentrating In the Pacific

Hundreds of Thousands of Troops Momentarily Expecting Attack Orders

TARAWA AN OVERTURE

By WILLIAM L. WORDEN
Pacific Fleet Headquarters, Dec. 2.—(P)—The largest naval concentration in history and hundreds of thousands of Allied troops momentarily are expecting the attack orders opening a campaign against Japan of such magnitude as to make clear that Tarawa was only the overture.

It will be aimed against those hundreds of islands forming concentric rings of defenses for Japan's valuable conquests in the Philippines and the Indies.

There will be fights for islands which are not so much of value to the Allies as they are dangerous in Japanese hands. On them, Japan has stationed some of her finest army and navy troops under orders to stay until killed as they did at Tarawa.

American experts do not expect the Japanese to use anything like their full strength in the early or even middle stages of the campaign. Generally speaking, these islands face one of three fates:

Direct frontal attack by overpowering force; encirclement and starvation; or bypassing and tactical emasculation.

Most of them doubtless will be (Turn To Page Eleven)

Sensational Army Trial Under Way

Georgetown, Del., Dec. 2.—(P)—Calm and soldierly in his army uniform, 38 year old Warrant Officer Carl "Frenchy" Moultrie went on trial for his life today and heard the prosecution allege that he shot and killed his best friend, Warrant Officer John H. Worthington, and immediately afterwards asked pretty Mrs. Worthington:

"Will you hate me for this?"

A description of events that preceded the shooting in the Worthingtons' fashionable Levies, Del., ocean-front cottage Nov. 4, was given by Deputy Attorney General Daniel J. Layton, Jr., in Sussex county court immediately after Moultrie entered a formal plea of innocent and the court selected a jury of 12 middle aged Delaware villagers, all men. Moultrie is charged with murder in the first degree.

Roosevelt, Stalin And Churchill Are Believed in Teheran

Unrelenting War to Thrash Japan Into Unconditional Surrender and Tear Away Whole Empire She Won in Conquests Decided at Cairo

BRILLIANT DEVELOPMENTS SAID TO BE PENDING

By RICHARD McMURRAY
Associated Press War Editor

President Roosevelt, Marshal Stalin and Prime Minister Churchill were reported conferring today in the Persian capital of Teheran on a supreme drive to crush Germany before winter ends.

Dispatches from Washington and London suggested the big three were making as fateful a decision for Germany as that announced last night for Japan: A solemn resolve to thrash Japan into unconditional surrender, tear away the sprawling empire she has looted in the last 50 years and return the Japanese to their own insignificant home islands.

Russia was not a part to that "Pacific Charter" announced by Mr. Roosevelt, Mr. Churchill and President Chiang Kai-Shek, for Russia is at peace with Japan.

The more immediate process of bringing Germany to her knees proceeded in the bloody mud and ice of Russia, on the sodden mountains and river valleys of Italy and in the smoky clouds above the bomb-torn Reich.

CAPITALS ARE DETAILS FOR JUBILANT OVER INVASION ARE DEVELOPMENT DECIDED UPON

By RICHARD G. MASSOCK

London, Dec. 2.—(P)—President Roosevelt and Prime Minister Churchill, while charting a plan with Generalissimo Chiang Kai-Shek to beat down Japan, apparently have synchronized their global strategy to hasten the war on all fronts.

An agreement of the "big two" with Premier Stalin on co-ordinated blows to knock out Germany first is expected to follow the Cairo announcement before long. There is a feeling that the much-predicted psychological offensive aimed at "softening" the Germans will be launched within a few days.

Gratification was expressed in Chinese and various European quarters in London at the declared determination to strip Japan of all the territories she has seized as the first approach to post-war planning for the Far East.

Premier Stalin's absence from the conference with Chiang seemed to indicate his steadfast desire to avoid any Soviet involvement with Japan.

Washington, Dec. 2.—(P)—A supreme Allied drive to crush Germany before this winter's end stood out today as one of the most probable subjects for discussion by President Roosevelt, Prime Minister Churchill and Marshal Stalin in their first three-way grand strategy conference of the war.

The principal requirement of Russian strategy, as understood by American experts on the eastern front here, is the fact that, while the Russians can mount major offensives in the winter and summer, they cannot undertake large scale operations in the spring because of heavy mud.

The recent Moscow meeting of foreign ministers and some Allied military experts afforded the first occasion for a full exchange of information. But the powers of decision, as vested in the president, prime minister and marshal, are (Turn To Page Eleven)

Children of State Compete In Tin Can Salvage Drive

Harrisburg, Dec. 2.—(P)—Pennsylvania school children are competing for awards in a new tin can salvage drive which the State Council of Defense will sponsor during the next six months.

Colley S. Baker, committee chairman, said the leading school in every county each month will win temporary possession of a school tin salvage pennant with a county flag to be awarded permanently to the school with the best collection record. The contest started yesterday.

The state's tin can collection goal is 10,000,000, prepared cans each month, Pennsylvania is currently leading all other states.

Marines Have Camels as Bit Of Equipment

If you've ever noticed the top of a Marine officer's visor cap, you've seen on it something you won't find on any other cap worn in Uncle Sam's service—a neat "X" of looped braid.

There's a story back of that braided "X", and it goes back more than 150 years, to a time shortly after the U. S. Marines were first organized.

In those days of sailing ships, naval battles often ended in close hand-to-hand fighting, as the crew of one ship tried to board the other—and Marines, of course, were in the thick of the fight. Some were in the boarding party, and some were posted in the rigging to fire down on the enemy. It was because of those men firing from high on the masts that Marine officers—whose uniforms from above resembled the enemy's—fixed "X's" on their hats.

In other words, that braid meant to the Marines in the rigging, "X" marks the spot—not to shoot at!

Since those days, the "X" on the cap has become a standard part of the Marines' uniform. Another piece of "standard equipment" you'll notice among Marines these days—whether they're wearing dress uniform or combat dungarees—is the American cigarettes they carry with them wherever they go. In all those news pictures you've seen of Uncle Sam's fighting men, snapped as they are relaxing while "off duty", you'll find that in most cases they will be smoking a cigarette. And what brand do they prefer? Well, actual sales records show that the favorite with men in the Marines—as in the Navy—is Camel. Likewise, according to the sales records, Camels are first choice with men in the Army.

Of course, the millions of men in training camps here at home want their cigarettes just as much as soldiers overseas—and here is a tip for Christmas shoppers; although it is now too late to send Christmas gifts of Camels to men overseas, you still have time to send that man in the service a carton of his favorite brand, if he's stationed anywhere in this country. Your dealer now has Camels in special Christmas cartons, gay and colorful—and he will be glad to wrap them for you for mailing.

DINOSAURS AND GASTROLITHS

Many of the dinosaurs were unable to chew their food, and had to swallow stones, so that their food might be ground fine in their gizzard-like stomachs, after the manner of chickens. Great numbers of these stones, called gastroliths by collectors, have been found in Wyoming, near dinosaur fossils.

RAZING HOUSES
Two of the houses on the property of the Penn. Furnace and Iron Company are being razed and the timber is being hauled away. The brick house formerly occupied by Henry Willis will not be turned down but will be used in work of the company. The two wooden structures, however, will soon be but memories. In the one house at the corner of Pine street and Pennsylvania avenue has some unheated timbers used in its construction and the other house has some hewn pine boards and joists and sills of almost clear pine. Some of the boards are twenty inches wide. Ray Bimber has purchased one of the houses and is tearing it down and moving the lumber to his property at Starbrick where he will erect two cottages on the river bank for rental.

Civil Air Patrol Here Will Have Use of U.S. Army Planes

The Army Air Forces have made available to Civil Air Patrol in Pennsylvania nine Army liaison planes to be used in the work of the Civil Air Patrol in connection with the recruiting of Aviation Cadets. The fleet of Army Aircraft in charge of Civil Air Patrol pilots will shortly visit each Squadron of Civil Air Patrol and give all Aviation Cadets in each locality an opportunity to examine the ships and fly over their home country in them.

Squadron 53, with headquarters in Warren announces that all recruits for Aviation Cadet service will receive free rides in the Army liaison planes when the flight arrives in Warren. Those who have heretofore enlisted in the Aviation Cadet program and who are still in Warren, will likewise receive a free ride. It is hoped that after these planes have completed a circuit of all Squadrons in the State, one of these ships will be allocated to Group 5 of Civil Air Patrol and will be hangered in Warren where it may be used

for promoting Aviation Cadet Recruiting.

All young men who have reached their seventeenth birthday are eligible to enlist in the Army Air Force Reserve as candidates for Aviation Training. Civil Air Patrol Recruiting Rooms on Second Avenue next to the Western Union will be open from seven until nine p. m., Thursday evening to answer questions, and to provide enlistment blanks for all who wish to enlist. Representatives of the Cadet Examining Board of Erie will be present at the Elks Club on Friday December 3rd to give examinations to those otherwise qualified for enlistment as Aviation Cadets or in the Army Air Force Reserve as Cadet candidates.

A number of young men who have wished to avail themselves of the advantages of the Aviation Cadet program have delayed making application for enlistment while they were under eighteen years of age with the result that they were unable to complete the requirements for enlistment as prospective Aviation Cadets after they were eighteen and before they were ordered for induction under Selective Service. It is to be hoped that more young men of seventeen will investigate this program and that parents who are reluctant to have their sons enter the service will make the investigation of the advantages of this program before they permit their sons to be inducted under Selective Service and placed without regard to their particular wishes.

Fifteen members and one guest enjoyed a very pleasant meeting of the Ladies' Union at the home of Mrs. John Kofod on Thursday evening, Nov. 18th. The president, Mrs. Ernest Crull, presided and chose for the devotionals a Thanksgiving theme. Several splendid articles were read by members, showing we Americans have much to be thankful for and that "were thanks with every gift expressed each day would be Thanksgiving." Following devotionals and a business session a social time was enjoyed, during which Mrs. Kofod served delicious refreshments which, with table decorations of fruit and lighted tapers, were suggestive of the Thanksgiving season. A generous free will offering was received. The annual Christmas party is to be held at the home of Mrs. Roy Lightner on Thursday evening, Dec. 16th, and inexpensive presents will be exchanged.

1944 Crop and Seed Loans Now Available

Pointing out the desirability of purchasing fertilizer and other supplies for 1944 crops well in advance of the planting season, Field Supervisor I. J. Nealon of the Emergency Crop and Feed Loan Office at Butler, has announced that he is now accepting applications for crop and feed loans for spring planting.

"The War Food Administration is urging the early purchase and storage on farms of fertilizer required for 1944 crop production," Field Supervisor said, "due to the tight labor situation, transportation difficulties, and limited storage facilities off the farm, considerable quantities of fertilizer must be purchased and delivered to farmers over a six month's period rather than the usual sixty-day period."

"In order that farmers in this section may cooperate and purchase their fertilizer, seed, and other supplies at this time, the Emergency Crop and Feed Loan Office is prepared to make loans up to \$400 to these farmers who are eligible," he continued, "advances on these loans will be made as the money is needed."

Crop loans are secured by a first lien on the crops to be produced and feed loans by a chattel mortgage on the livestock to be fed. The interest rate is 4 percent per year. Farmers who wish to apply may communicate with Field Supervisor Nealon at Box 454, Butler, Pennsylvania who will arrange to accept their applications, or Richard Evans, Alderman, Penn'a. ave., Warren, Pa., who will take applications during his office hours, 9 'til 12 noon and 2 'til 5 p. m.

YOUNGSMITH NEWS

The Orange Circle held their annual Christmas meeting Wednesday with Mrs. John Zelliff. A Christmas devotional was conducted by the president, Mrs. Gurney Ball was the social leader. A grab bag was presented. Gifts were brought also for the children of pre-school age. A calendar committee with Mrs. John Zelliff, chairman, was appointed. The January meeting will be with Miss Nellie Knapp. A delicious co-operative dinner was served in the dining room.

Thanksgiving guests of Mr. and Mrs. C. S. Mead were Mr. and Mrs. P. H. Mead and daughter, Marjorie, of Erie, Mrs. Mead's brother, Clarence Bury was also a guest.

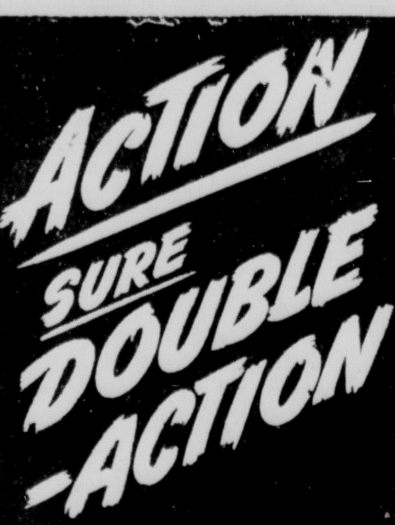

Guests for a few days this week of Mrs. Clara McKinney are Mr. and Mrs. R. C. Young, of Franklin. The men of the group are trying their luck at deer hunting. Mrs. Ellen Allen and Mrs. Mary McFarland, both of Bradford, were recent guests of Mr. and Mrs. C. S. Mead. Mrs. Ellen Allen has now gone to Tulsa, Okla., for a winter visit and Mrs. Mary McFarland is on her way to Brea, Calif., where she will make her home with a son. Enroute she stopped in Tulsa, Okla., to visit a brother.

Mr. and Mrs. Floyd Buchanan were Thanksgiving guests of Mrs. Buchanan's mother Mrs. Allie Dunham.

MADE GOOD TIME

Good time was made by the Fire Department in taking the rescuator to Sheffield yesterday morning when it was desired to use it there. The truck with the machine made the run in 18 minutes only to be held up at the Sheffield crossing for some time by a long freight which was passing.

GOOD BILL OFFERED

At the Marconi Club an especially pleasing floor show is being offered this week. Headed by Tony Zito, master of ceremonies and a comedy star three acts are being given. Bobby Yule, a juggler of much ability and Dorothy Jackson, a singer complete the offering which is winning much favor.

PICTURE CLIMACTIC

"The Battle of Russia" being shown at Library theater for the last time tonight is one of the most dramatic and thought inspiring ever shown here. Depicting various phases of Russian history it is a documentary film of the World War and some of the scenes are most soul stirring.

FARMER WAS PLOWING

Motorists driving through Saybrook yesterday noted with interest one of the farmers there engaged in plowing a field. The earth turned up looked dry and in good condition for plowing. Observers were of the opinion that it was a late date for plowing to be done but the exceptional weather favored the work.

NEW COUPONS OUT

Gasoline dealers are urged to note that the new "B" and "C" coupons are now in circulation. The new coupons are worth five gallons, as compared with the old ones which were worth two. They are easily distinguished as the new coupons display a prominent "B2" and "C2" as contrasted with the small "B" and "C" on the old coupon. Both types of coupons are valid indefinitely. The purpose of the larger coupons is to conserve paper.

REDCOATS FEW TODAY

With the deer season four days old the redcoated hunters were few and far between on the streets here today. There were a few but not in the numbers that have been in town other days of the season. It is expected that there will be a return of the hunters over the weekend and that next week another big influx of hunters will arrive. Reports coming in are to the effect that many thousands of dollars are being left in the county by the hunters in camps, rooming houses and hotels.

Chapter 16

"I'AST week," Pete said to Ken Dover, "you told me yours was the hardest working department in the plant."

"Sure, I did."

"Well, if that's the case, how about those two girls?" He nodded toward a pair of girls who were leaning on a section of cowl and arguing heatedly. "All last week, I didn't see either of them do a bit of work. All they did was stand around and argue, like they're doing now."

"Oh, those girls," Ken said and winked at Pete. "Those two are exceptions."

"If they are exceptions, then why doesn't the foreman fire them?"

Ken laughed. "He can't."

"Why not?"

"Well, you see, it's this way: he's been running around with the thin one for six months or so, and a couple of months ago he started running around with the other one. He couldn't shake loose from the thin one, so now, he has to go with both of them. He has a time keeping one from knowing that he's going with the other, and because he's going with them he can't afford to make them work when they don't want to."

"Well, aren't they suspicious?"

"Sure they are. That's why they argue so much."

"Kind of a mess, isn't it?"

"Yeah, but that's the kind of a guy Mug-head is."

"Okay," Mug-head said waving a hand. "Take it to Kitty."

Ken picked up the print and started toward the Paint shop.

Why, Pete wondered, was Ken taking the print to Kitty? She worked in the Paint shop. Surely she knew nothing about mechanical prints.

At lunch time, unexpectedly, he had a chance to ask Kitty about it, but he was so excited over the fact that she had smiled at him and consented to eat with him that he forgot about the prints. There were more important things to discuss, such as arrangements for a date for that night.

"I'm sorry, Pete," she said. "I really am. But tonight, I have a date with Charley."

"Then, how about Saturday night?"

"I'm going to a little private dance, then."

"With Charley?"

"Yes."

Pete got up from the table. "Okay," he said. "If you want to go with Brackmyde altogether, that's your business. I guess I know where I stand."

She reached out to a lay a hand on his arm but he had left.

THAT night, on the way home, Les had wanted to know how Pete was coming along with his investigation of the sheet-metal department.

"Fine," Pete said. "My report is just about ready to turn in and if Melvin does his part, there'll be a good shake-up in the sheet-metal department, just after I'm transferred."

"What did you recommend?"

"First, the foreman will be put back on the bench and the leadman, Dover, given his job. About half the department will be put on different kinds of work to which they are better suited and a couple of girls will be fired."

"Whew! That's some order, I'd surely hate to be in your shoes."

if they ever find out what you are doing!"

"I'm not afraid, Les, but I don't want them to find out. It would spoil the entire plan if they did. So, I'm counting on you and the few others who know about the deal to keep quiet about it."

"You bet," Les assured him.

"I'm not the kind of a guy who enjoys picking up a pal with a shovel."

For a moment they were silent. Then, "How are you and Kitty getting along these nights?" Les asked. "I saw you at lunch together tonight."

"Not so well," Pete said. "I just can't understand her, Les. She has the whole plant at her feet, yet she has to pick out a guy like Brackmyde to run around with exclusively."

"It's a shame," Les agreed.

"Brackmyde is not only a louse, but I wouldn't be a bit surprised if he isn't out for a little high-class sabotage on the side."

"What makes you think that?"

WELL, night before last, I saw him crawling out of Number 316. That shin goes out the door tomorrow and he had no business in it. No one but Inspection was allowed to go into that ship."

Pete frowned. "There may be something in what you say. One night after I'd first started to work, old man Mose and I saw him coming out of a tail section with a pair of pliers in his hand. I expect it would be a good idea for us to sort of keep an eye on Brackmyde."

"Right."

"And if we actually find that he's damaging the ships, we'll know what to do about it."

"You bet—and say, I almost forgot. Old man Mose said to tell you that he might get to quit most any day now. The Termination Request Forms are just about ready to be printed."

PLEASING PROGRAM FOR PHILOMEL CLUB

Philomel Club members enjoyed a delightfully different program at the regular meeting held at the Woman's Club Wednesday afternoon. In charge of Eugene Kuester, of the Warren Conservatory faculty, the program was termed "An Afternoon With Gilbert and Sullivan." After Mr. Kuester had spoken very entertainingly on the lives of the two composers, he presented several of his voice students in a condensed concert version of "Pirates of Penzance." Mrs. Kuester was at the piano to accompany Margaret Drivas, Dolly Valone, Violet Borg, James Wilson and Mr. Kuester.

Mrs. Allie Russell, club president, announced Mrs. Anna Wilson will be in charge of a study on "Christmas Carols" next Wednesday and that the Christmas program on December 15 will be in charge of Mrs. Borg with Mrs. H. F. Clawson as hostess chairman.

HONOR DAUGHTER

Mr. and Mrs. James Knupp, 9 Bauer street, entertained the following guests at a buffet supper last evening to mark the birthday anniversary of their daughter, Violet Elaine: Gerald Loomis, Mike Gurdak, Mr. and Mrs. Steve Simmons, Geneva and Russell Knupp. She was the recipient of many nice remembrances of the event.

EVENING RECITAL AT RUSSELL STUDIO

Mrs. Allie Russell, 205 Pennsylvania avenue, east, will present her pupils in a recital at her home studio at eight o'clock this evening and extends a cordial welcome to parents and friends. Assisting the young pianists will be Mary Sigworth, contralto and pupils of Mrs. Betty Smith.

PERSONNEL CHANGES

Changes in local and county liquor stores within the past few days sends George Nelson to Sheffield as manager and returns L. W. McNamara to the Warren store as chief clerk. Casper Scalle, Jr., with the board for the past two years in Erie and Warren stores, left this morning for a new position in Pittsburgh.

APPLES NOT KEEPING

Reports from over the county are to the effect that apples in storage are not keeping but that they are rotting badly. Just what causes this is not known but many have suffered quite a loss on their apple crop due to this feature.

ERROR IN NUMBER

Pleasant township residents have been asked by Glenn Kiser to call him at 1952-W if they have waste paper for the pickup to be staged next week. This number was incorrectly announced in Wednesday's Times-Mirror.

WANTS ALL YOUTHS

Capt. W. J. Steurnagel, of the aviation cadet examining board at Erie, reports that he will be on hand promptly at ten o'clock Friday morning at the Elks Club here to interview all 17-year-old youths interested in enlistment in the aviation cadet reserves.

DISMANTLING TOWER

The big tower at Sheffield surrounded by a huge water tank erected many years ago as a precaution against fire by the Metzger-Wright Company is being torn down. Workmen are now engaged in the task which is a rather delicate one. The property upon which the tank stands was recently sold to S. L. Sherman, of this city who has disposed of the tank to a firm in St. Louis. It will be shipped there as soon as it is dismantled by the workmen engaged. The tank is of 60,000 gallons capacity and the tower upon which it rested was 50 feet in height.

Obituary

MRS. MINNIE BLOOM

Funeral services will be held at the family home at 2:30 p. m. Saturday for Mrs. Minnie Bloom, 522 Fletcher street, Titusville, whose death occurred in City Hospital yesterday morning after an illness of two years.

Mrs. Bloom, widow of Leonard Bloom and mother of Elmer Bloom, of Warren, was born in Sweden in 1870 and came to Titusville with her family at the age of four months. She was admitted to the hospital on November 24.

Besides her son here, she leaves the following children: Leo A. Butler; Henry E. W. Archie, Kenneth E. Bert M. and Edwin J. Bloom, all of Titusville; also two brothers, August Johnson, Kokomo, Ind. and Bert H. Johnson, Titusville. Two children and her husband preceded her in death.

FLOYD RUDOLPH PETERSON

Floyd Rudolph Peterson, of Pleasant township, passed away suddenly about 12:30 p. m. Wednesday in Warren General Hospital after having been ill only since Sunday and having been admitted to the hospital during the morning hours. Mr. Peterson was born in Warren August 24, 1903, and had spent his entire lifetime in the community. He was a member of the First Lutheran church, the Fairchild Gun Club and Pleasant Grange. He had been employed at Struthers-Wells for the past year and had been engaged to provide bus transportation for Pleasant township school students for the past two years.

He is survived by his wife, Madeline Froman Peterson, and one daughter, Doris Elizabeth, at home; his parents, Mr. and Mrs. Henry Peterson and one sister, Mrs. Glenn Kiser, all of Pleasant township.

Removal was made to his home, where friends may call and from where services will be held at two o'clock Saturday afternoon. Interment will be made in Oakland cemetery.

HERD NOT RELEASED

Reports have been current in the vicinity for some time past that the deer herd in the Wilder Game Preserve at Irvine had gone into the woodlands through the medium of a large gap in the fence at the back of the preserve. The reports were to the effect that the deer had all left the preserve and that the owners were glad of it. Inquiry yesterday elicited the information that the herd had not been released, had not escaped and were being guarded carefully so that no bird with a yen for deer could shoot one. The animals have been an attraction at Irvine for many years and hundreds have watched them feeding. Many of the animals are comparatively tame and come to the fence to eat out of the hands of passing motorists. It is good news that they have not been released.

Several Events In Prospect For the Catholic Daughters

Court Warren, #34, Catholic Daughters of America, held its regular meeting last evening in the K. of C. clubrooms with Mrs. W. E. Cooney, grand regent, in charge.

Final arrangements are being made for a public card party to be held in the same clubrooms on December 9, Mrs. Thomas James and Mrs. Paul McGarry heading the following committee: Mrs. H. H. Crosby, Mrs. Leo Gibson, Mrs. William Shine, Mrs. Pat Long, Mrs. Anthony Guiffre Jr., Mrs. Sam Paterniti, Mrs. Bartholomew Sexton, Mrs. Anthony Valone, H. J. Fleckenstein, Mrs. Sylvia DeStephens, Rose Huckstein, Alvida Lucia, Patricia Simmons and Helen Maher.

The Christmas party will be held December 29 and all members were asked to contact the co-chairman, Mrs. Richard Harrison and Mrs. Roy Owens, relative to their attendance.

Announcement was also made that the Knights of Columbus have extended an invitation to the Catholic Daughters to attend their New Year's party and all members expecting to attend were asked to communicate with Mrs. Paul Gray.

Fifty Girls Now Sought By Uncle Sam

At the United States Employment office recruiting of 50 girls for service in Washington, D. C. is under way. Manager Levine spent some time in Oil City yesterday receiving full information of the work the girls will do, etc. The demand for the girls comes from the Headquarters, Army Service Bureau and there are many vacancies for typists, stenographers and clerks.

The typist requirements are light, only 20 words per minute and for Junior Stenographers who can type 20 words a minute and take dictation at the rate of 60 words a minute or senior stenographers who can type at the rate of 40 words a minute and take dictation at the rate of 80 words a minute. Also Junior Clerks who take a simple test and who do not have to type at all. The salary range on these jobs is \$1752.50 to \$1970.00 a year. Age limit from 17½ years up.

In addition to these salaries the following advantages are offered by the government at Arlington Farms: Excellent living quarters; meals at a moderate rate are guaranteed. The basic idea is to send the applicant to a field installation for two weeks training such as Washington and Jefferson College, Washington, Pa. Upon completion of this course of training the individual is sent to Washington, D. C., transportation paid in addition to \$6.00 a day expense money. Upon arrival at Washington, D. C. the applicant is met by an Army Service Force representative who takes them to Arlington Farms for housing and for preassignment to a school with the instructors from the best colleges and commercial schools in the country.

There are also courses given here that count toward college credits. These courses are in addition to the training given in connection with the job.

Salvation Army Home League
Active Women's Association

The Home League is an association of women without class distinction for mutual understanding, encouragement and education which meets weekly in the Home League Room, 218 Penna. avenue, Warren, Thursday afternoons at 2:30 p. m. A popular feature of Salvation Army service throughout the world. All women over 18 years of age are welcome. Not a dull moment at any time. Program features, counsel and direction upon matters affecting home management and the training of children—domestic problems—topical lectures, entertainments, etc.

This invitation is to all mothers and grown daughters. Throughout the program arranged, League members are expected to carry on the required knitting and sewing for Soldiers of War.

Another service the ladies are doing is for the wives of service men who become mothers. The Army hopes to supply every wife of a service man who becomes a mother with a layette in Warren and Warren County. During the month of November many gift packages have been sent to the boys in the service. Many boxes of home made cookies and sewing kits made up by these ladies have been sent also. Many wonderful letters have come back to us from the boys who have received these (Turn to Page Twelve)

NOTICE

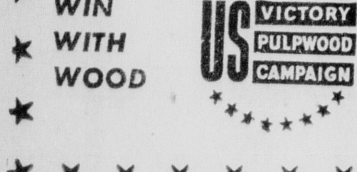

"Pulpwood cutting has recently been listed as an essential occupation and those engaged in it should now include such activities in connection with any application for supplementary gasoline, tires, or automotive rationing.

"If you are using gasoline-powered equipment in sawing, drawing or trucking pulpwood and it is absolutely necessary for you to have an additional allowance, you should report the fact to your local rationing board, giving full information as to the number of cords to be cut and the distance it must be trucked.

"Ceiling prices for pulpwood have been set by this office and are available upon application to your nearest OPA District Office. There is no present intention of revising these prices."

Holiness Convention Planned in Pilgrim Church Over Sunday

Beginning tonight and continuing over the Lord's Day, there will be special services at Pilgrim Holiness church in Fourth avenue in the form of a Holiness convention.

Rev. Paul F. Elliott, superintendent of the Pittsburgh District, will be the principal speaker. Rev. Elliott broadcasts every Wednesday and many in this vicinity who have heard his message will welcome the opportunity of greeting him personally.

In charge of the special music and artist work will be J. Orlando Yount, of Titusville, who plays vibraharp, accordion, solovox, harp, sawharp, pitchfork and bells. He will draw pictures of Bible incidents at each service.

It is announced that the church bus will leave Park street each evening at 7:15 o'clock to bring East Side worshippers and the pastor and congregation extend a cordial welcome to all interested.

Fruit Prices Are Set By OPA For Warren and Erie District

Maximum retail fruit prices for the seven counties comprising the Erie District have been announced by Charles H. Leslie, Erie OPA director.

Separate prices were fixed for Groups 1, 2, 3 and 4 stores. Maine potatoes were fixed at 27 to 28 cents for five-pound lots; New Jersey, 28 to 29 cents for the same poundage, and Erie county potatoes, 22 to 23 cents for five pounds.

A ceiling of 19 cents was placed on a three-pound lot of Pennsylvania dry onions; cabbage, four cents a pound; Cuban or Florida lug tomatoes, 35 cents a pound; peas, 27 cents a pound; carrots, 13 cents a bunch, each of which must weigh a pound, and California table grapes, 19 cents a pound.

Retailers were told that they may not charge more than 69 to 70 cents for a dozen of No. 176 California oranges; 61 to 62 cents for No. 200s, and 42 to 43 cents a dozen for No. 288s.

Ceilings of 50 to 52 cents a dozen were set on No. 176 Florida oranges; 45 to 46 cents on No. 200s, and 59 to 61 cents a dozen on No. 150s.

No. 288 Texas oranges must not retail for more than 35 to 36 cents a dozen; No. 200s, 50 to 51 cents, and No. 150s, 59 to 61 cents a dozen.

A ceiling of 10 cents each was set for No. 90 California grapefruit, and eight cents each on No. 110s. That on Florida grapefruit, seeded, was fixed at seven and a half to eight cents for No. 90s, and six and a half for 110s, while seedless, was set at eight cents each for the No. 90s and six and a half to seven cents for the No. 110s.

Texas grapefruit, white, may not retail for more than seven and a half to eight cents, each, for the No. 90s, and six to six and a half cents for the No. 110s; pink, eight cents each for the No. 90s, and six and a half cents each for the 110s.

Ceilings of 56 to 57 cents were set for No. 252 California lemons; 67 to 68 cents a dozen for No. 210s, and 47 to 48 cents a dozen for the 300s.

Seal Sunday
Arranged In Churches Here

Next Sunday, December 5, has been designated as "Christmas Seal Sunday" in a large number of churches of Warren, according to G. M. Borg, chairman of the church committee of the Warren County Tuberculosis Society.

The printed programs of these churches will carry a special message regarding the seal sale and will have Christmas Seals affixed. Cooperating churches are First Presbyterian, First Baptist, First and St. Paul's Lutheran, Trinity Memorial, Holy Redeemer, St. Joseph's, Grace and First Methodist.

If any church has been overlooked and would like to participate in this promotion, its pastor is asked to contact Mr. Borg.

Churches Uniting
in Meetings Of Week's Duration

Prof. Edward J. Aeschliman, of Rochester, N. Y., for 20 years a missionary of the Methodist denomination in China and a member of the faculty of Peking Theological Seminary, will be guest speaker for a week of union meetings to be held by First and Grace Methodist churches here.

Dr. Aeschliman, on furlough from China but expecting to return there soon to resume his work, will preach in First church Sunday morning and at Grace church the same evening. Continuing, service will be held in Grace church on Monday, Tuesday and Wednesday nights; First church on Thursday and Friday evenings. On Sunday, December 12, Dr. Aeschliman will speak at Grace church in the morning and close the series of meetings with a mass service in First church in the evening.

Mr. Aeschliman first went to China in 1919. He was stationed at Peking, where he was assistant pastor of the large Asbury Methodist church and secretary of work among college and high school students in that city. In 1925 he was transferred to Tientsin as missionary in charge of the district and as director of student work in the Tientsin Middle School. More recently he has been in Peking as professor in the theological seminary and as associate superintendent of the Peking District.

A native of Wisconsin, he received his education at Lawrence College and Garrett Biblical Institute. Before going out as a missionary, he was a YMCA secretary in Wisconsin and in Chicago. In 1915 he was licensed to preach by the Methodist church and served two years as an assistant pastor in Asbury Methodist church in Rochester, N. Y.

Youngsville to Oppose W.H.S. in Cage Opener

Leahy Be Good

Three Games Are On Bill For Local Cage Floor Fans At Beaty Court Friday Evening

Take it from one of the most enthusiastic Blue and White Rooters "Warren this year has one of the best basketball teams since 1938 when the outfit blustered the court floors of this and sundry other schools."

And with "them kind words" the lid will be ripped off the court season here tomorrow evening when Youngsville comes up for the opener. Especial interest will be added to the game inasmuch as Joe Pessaro, coach of Youngsville's athletic teams will leave soon to enter the U. S. Service. The game tomorrow night may be the last appearance of the popular coach with a Youngsville team. To that end the Youngsville lads promise to "go all out" for their coach in an endeavor to send him away with a Warren scalp dangling at his belt.

So with that mixture to be added to the other ingredients for a basketball game the fans can rest assured that they will see some prime basketball and two of the scrappiest floor fives imaginable. The locals are fast and shifty and

will take into this game some fine passing and shooting that ought to stir the fans and keep the old gym ringing with the lusty yells for which the Warren rooters are famed. Youngsville, too, will have a bunch of welkin ringers accompanying their outfit and the cheering will also be a feature.

This opening game is being watched with considerable interest by followers of the Dragons and it will give the tip off on the team. With a tough schedule ahead for the season Warren must be plenty good to come through with a majority of wins on the credit side of the ledger.

The prelim should also go good as the Youngsville seconds will face the Warren seconds. This game will start at 7 and the big game will take the floor at 8. So be in your seat with a season ticket in your hand and be prepared for a rise in blood pressure.

And just to make it more interesting if you have a yen for a whole evening of fuss and frolic on the courts a prelim will take the floor at 6 o'clock.

Baseball "Rebels" Keeping Fingers Crossed Awaiting A Decision By Judge Landis

By SID FEDER

New York, Dec. 2.—(P)—The "rebels" who tried to blow Kene-saw M. Landis part-way off his baseball throne kept their fingers crossed today in the last desperate hope the high commissioner, himself, might put some new life in their slightly-dead revolution.

And as they waited for the decision of "the head" on the appeal they took to him last night, after the rebellion was practically blown apart at the general meeting of the National Association of Professional Baseball Leagues (the minors), the assembled delegates at the winter meeting finally found a bit of choice trade talk to chew on.

In the middle of this gossip around the ivory market place were the Washington Senators, and assorted rumors had them dicker-ing with (A) The Cleveland Indians, (B) The New York Yankees and (C) The St. Louis Browns. Ozzie Bluege, the hurrying manager of the Nats, was

about the busiest guy around the place as he went into a set of huddles with Lou Boudreau, the Tribe's boss; Luke Sewell, the Browns' pilot, and Joe McCarthy of the Bombers.

Out of these, the most frequently passed-around tip was that the Nats were after pitcher Jim Bagby, infielder Russ Peters and fly chaser, Jeff Heath from the Indians. The Tribe, which needs a center-fielder almost as much as it needs cash customers, wanted in return outfielder Stan Spence, pitcher Bobo Newsom and infielder Johnny Sullivan. None of the Cleveland officials explained what the wanted Bobo for, however. The nitch in this entire transaction appeared to be that Washington didn't want to give up Spence, one of the top center gardeners in the American League.

On top of this, it also was learned that Bluege had approached the Yanks with an offer for Newsom for George Sternweiss, the rapid infielder who has been placed in 4-F by his draft board.

Penn Football Attendance Tops Nation For Six Years

By TED MEIER

New York, Dec. 2.—(P)—Over the last six years the University of Pennsylvania has drawn more persons to its home football games than any other team in the country, an Associated Press survey disclosed today.

The survey, which sowed a drop of 18.4 per cent in grid crowds during 1943, as compared to 1942, revealed that a total of 2,143,500 persons turned out to watch Penn play at Franklin Field in Philadelphia from 1938 to 1943, inclusive. Taking second place in home attendance over this six year span is Ohio State at Columbus, O., with an aggregate of 1,653,277, a mere 2,000 more than the 1,651,299 credited the University of Southern California at Los Angeles.

Notre Dame plays most of its games to capacity crowds on the road and hence the Fighting Irish are down in 12th place in this six-year home attendance tabulation with 980,000.

They are preceded by the University of California at Los Angeles in fourth place with 1,509,246; Michigan in fifth with 1,476,331; Minnesota in sixth with 1,376,954; California in seventh with 1,342,960; Northwestern in eighth with 1,307,424; Tulane in ninth with

1,223,962; Yale in tenth with 1,132,800; and Navy in 11th with 1,043,870.

After Notre Dame comes Army with 958,737; Pitt with 953,000; Harvard, not including 1943 because the Crimson played only informally, with 948,591; and Wisconsin with 902,824.

Michigan, which drew the biggest crowd of the year, 86,000 for its game with Notre Dame, was second in 1943 attendance with 230,000. Northwestern was third with 220,124; Minnesota fourth with 210,000 and Ohio State fifth with 191,562.

BUILDING A BETTER WORLD

A new health teaching unit, "Building A Better World," has been distributed to school teachers by the Pennsylvania Tuberculosis Society and its affiliated organizations. Dr. Francis B. Haas, State Superintendent of Public Instruction, commented that he had reviewed it "with great interest."

The unit was developed around the theme of building better physical and mental health among children during wartime and the inspiration for it came from the 1943 Christmas Seal.

ATHLETICS WILL TRAIN AT FREDERICK, MD.

Frederick, Md., Dec. 2.—(P)—The Philadelphia Athletics will train at McCurdy Field next spring Roger B. Wolfe, president of the Frederick Chamber of Commerce has announced.

Wolfe said he received a letter from Connie Mack yesterday notifying him the A's would do their training in Frederick. The players will begin arriving about March 11, Wolfe said he was informed in the letter.

Earle Mack, son of the veteran Athletics manager, inspected facilities at the Frederick Park about a month ago.

The Toronto Club of the International League also was reported interested in training here, in which case the Leafs would probably use the high school field.

Ohio has more cities with populations greater than 100,000 than any other state in the Union.

CONEWAGO CLUB
Records topped in the match between the MacDonalds and Branch in the Conewago League last evening, with the latter team hanging up two new marks. A score of 1030 in the second set a record for single game and the total of 2743 also is a new high. High scores by Barnhart, Branch, Nichols, Conaway and Klesha made the records possible. A 240 score rolled in the second by Conaway was high. Others who contributed to the records and their scores were: Klesha with two games of 201; Branch, 199; Nichols, 197; Barnhart, 193. Conaway had high total with 593. Captain MacDonald led his team with a high game of 195 and high total of 492. The team totals:
MacDonalds727 689 797-2204
Branch832 1030 851-2743
Plummer, substituting for Beardsley, and Jim Allen for Hawley, failed to figure much in the success of the winning team.

Lt. Parsons Is Buried In Far Off Australia Troop Two To Be Elevated

Mrs. Leslie G. Fobes, 511 Fourth avenue, has learned through her parents, Mr. and Mrs. C. A. Parsons, of Erie, that her brother, Lt. Laverne P. Parsons, has been given Christian burial by an American army chaplain and lies in the American cemetery in Australia. Lt. Parsons was reported killed in action in late September in that combat area. It has since been learned through government and personal correspondence that he and his entire Liberator bomber crew of ten were killed in a plane accident while returning from a bombing mission over Japan. Japanese Full details have still not been learned because of wartime restrictions on issuance of such data.

The likelihood of the Japanese grand fleet coming out to fight in the near future is regarded on a pure tactical basis as extremely remote. That fleet now is greatly outnumbered and the Japanese know it. So long as it remains intact, it compels the Americans to guard with similar fleets many points in the Pacific.

(From Page One) Station said Mrs. Tomlinson's first husband, Guy Hiddingh, was killed in action some time ago with the British forces in Africa. She married Flight Officer David Tomlinson two months ago, they said, and was despondent because she and the children were unable to join him in England.

Detective Edward Houlihan said it had not yet been determined whether the woman pushed the two children from the hotel window and then followed them or whether one child went first and she plunged a few seconds later with the second boy in her arms.

News Leakage Responsibility Scored (From Page One) casting Corporation, which is under his supervision. Washington, Dec. 2—(P)—The flashing of news about the Churchill-Roosevelt-Chiang conferences from European capitals while the American public generally had to await an official release of the information to this country's news outlets aroused reverberations in congress today.

One member, Rep. Carlson (R-Kans.), likened it to the delayed reports on the Tokyo air raid and the Patton soldier-slapping incidents.

Elmer Davis, chief of OWI, is reported now to have protested formally to Brendan Bracken, British minister of information, over what he considers the premature publication of the Cairo conference by Reuters, British news agency.

Reuters explained that its announcement, made from Lisbon, was simply journalistic "enterprise." Pat Davis rejected the explanation. The OWI head, plainly indignant, declared that American newspapers had the full story, but complied with official requests that it be held up until 7:30 p. m., eastern war time, Wednesday.

Davis made it clear that he felt the fault lay with British censorship in London.

BULLETINS

Washington, Dec. 2—(P)—Secretary of War Stimson reported today that American army casualties from the beginning of the war to November 15 were 94,918, bringing the total announced casualties for all branches of the armed forces to 126,969.

Allied Headquarters, Algiers, Dec. 2—(P)—Spitfire pilots today reported seeing numerous demolitions in the vicinity of Cassino, key point on the Via Cassina, main highway to Rome, perhaps in preparation for withdrawal in the face of relentless pressure of Lt. Gen. Mark W. Clark's American and British forces.

Chungking, Dec. 2—(P)—Chinese troops were reported to be tightening a noose around a Japanese force in northern Hunan today after occupying six towns and driving the enemy out of the important city of Changteh in fierce fighting.

London, Dec. 2—(P)—Yugoslav partisans have inflicted a crushing defeat on the Germans in southwestern Slovenia, in which the enemy lost 5,000 men in killed and wounded, a communiqué broadcast by the Yugoslav army of Liberation reported today.

London, Dec. 2—(P)—Britain will start drafting men for the coal mines shortly, Ernest Bevin, minister of labor and national service announced in the house of commons today.

Repatriates Predict Long War In Pacific

(From Page One) "The Japanese military has built up what from their callous viewpoint is an ideal combination of religious and state service." Happy as the repatriates were to see the Statue of Liberty and their homeland again, they expressed concern over the estimated 6,000 Americans, many of them children, still held in Japanese internment camps.

Enemy Falls Back Abandoning Great Quantities of Munitions and Equipment

THOUSANDS CAPTURED

BULLETIN
Allied Headquarters, Algiers, Dec. 2.—(P)—American Flying Fortresses lashed out at the newly constructed Nazi submarine base at Marseille in southern France for the first time today simultaneously with the disclosure they had nipped a German attempt to refloat French fleet units scuttled at the naval base of Toulon.

By NOLAN NORGAARD
Allied Headquarters, Algiers, Dec. 2.—(P)—Driven from the Adriatic end of their heavily fortified winter line, the Germans were in retreat before the victorious British Eighth Army today, abandoning great quantities of equipment after suffering heavy casualties and losing more than 1,000 prisoners.

(The Algiers radio announcer said, "In fierce hand to hand, yard to yard fighting the Eighth Army is dislodging the enemy on a 25-mile front, and pressing him back towards Pescara. They are mopping up enemy resistance centers.")
Gen. Sir Bernard L. Montgomery's British, Indian and New Zealand divisions smashed forward as much as three miles yesterday.

UNRATED VENISON SOUGHT FOR LARDERS

Harrisburg, Dec. 2.—(P)—Non-resident hunters are flocking to Pennsylvania for the deer season apparently in an effort to snare unrationed venison for the winter, the State Game Commission reported today.
"All districts report an increase in non-resident hunters," said the commission. "At least 10 county treasurers have phoned in for more non-resident hunting licenses."

Escort Aircraft Carrier Is Sunk

Washington, Dec. 2.—(P)—The United States escort aircraft carrier Liscome Bay, was torpedoed and sunk by a Japanese submarine during the Gilbert Island operations, and was the only American vessel lost during the engagement, the navy announced today.
The Gilberts engagement itself was described as one of the bloodiest in the Pacific area.
Rear Admiral Henry M. Mulnix, reported missing, was said by the navy to have been aboard the carrier.
Captain Irving D. Wiltse, commander of the Liscome Bay, also reported missing in action.
The total casualties have not yet been disclosed by the navy, but normal complement of such carriers has not been announced. The sinking brings to 131 the total naval losses thus far reported by the navy during the war. Five of the sinkings have been aircraft carriers, including the Liscome Bay.

Steelworkers To Ask Wage Increase

Pittsburgh, Dec. 2.—(P)—A 17-ants-an-hour wage raise, a guaranteed weekly wage, and a severance pay allowance are among the objectives sought by the United Steelworkers of America in their forthcoming drive to upset the War Labor Board's "little steel" wage formula.
Philip Murray, president of both the steelworkers union and its parent organization, the CIO, said that requests to reopen contracts and asking bargaining conferences start Dec. 13 will be mailed next week to 485 steel companies.
The wage and policy committee of the union yesterday approved a first round of a 22-point program submitted by the international executive board.

Repatriates News Leakage Responsibility Predict Long War in Pacific

Jersey City, N. J., Dec. 2.—(P)—American repatriates from the Far East headed for their homes throughout the nation today with a grim feeling that a long, hard struggle lies ahead in the Pacific.
One after another said upon stepping from the Swedish exchange liner Gripsholm to American soil that the morale of the Japanese people still was high, whatever doubts might assail the warlords.

At 11:30 o'clock (EWT) last night, 13 hours after the ship had docked, all but 200 of 1,494 passengers had disembarked. Government officials, who continued questioning them today, said they hoped to have all cleared by noon.
Russell Brines, of the Associated Press bureau in Manila, who formerly worked in the Tokyo bureau, said on leaving the ship:
"I think the Japanese will keep on fighting at least five more years as things are going now. The vital element in the situation is their ability to continue communications and production."

EMERGENCY RELIEF OPENING OFFICES

Baltimore, Dec. 2.—(P)—Headquarters for Army Emergency Relief have been opened in three Pennsylvania cities—at Pittsburgh for the 25 western Pennsylvania counties, at Harrisburg for the central part of the state, and at Philadelphia for the eastern area.
These offices will handle all requests for emergency assistance from army personnel and their dependents. The AER is supported by membership fees from soldiers and officers, by donations, gifts and contributions, and by entertainments, shows and benefits held in its behalf.

First Appeal Is Received From Old Alias Santa Claus

With that same jolly countenance that has irradiated happiness in Warren for many years, old Alias Santa Claus bounded into the Times-Mirror office yesterday afternoon. "Hey! hey!" he exclaimed, "what's the matter with you fellows? Here it is the first of December and not a word in your paper reminding the folks that this is going to be a tough old winter and there will be many who will not have a Merry Christmas unless you and I get busy. Why, we ought to have a lot of money piled up already for a Yuletide observance for many kids and a bit of money to stretch over the year to make the going a little softer for a lot of folks."
"So now get over there on that typewriter and let those keys sing out a story of Merry Christmas and Happy New Year. There are plenty of folks who have their check books in hand and their fountain pens all poised, ready to make out a donation to the Alias Santa Claus Fund. Help them get that check written and into the office. We are going to need plenty of money this year and it's high time it was rolling in."
So, since Alias Santa has called us to task, let us pass on the good word. The fund which has meant so much during the years passed will operate again this year. Kids and grown-ups alike will share in the bounty and largess of this fund.
Gifts will be received at the Times-Mirror business office and checks should be made payable to the "Alias Santa Claus Fund, Times-Mirror." And here is hoping that the fund gets off to a good start and that the response is all that could be desired.

News Leakage Responsibility Scored In House of Commons

British Information Minister Is Questioned About Reuters Broadcast
ELMER DAVIS IS IRKED
By ERNEST AGNEV
London, Dec. 2.—(P)—Brendan Bracken, British information minister, answering questions in Commons today aimed at placing responsibility for the world-wide news leakage on the North African conference said that "in my opinion such meetings ought to be absolutely security conferences in the future."
Apparently he meant that absolutely nothing should be printed about conferences from any source until the official news is released.
Bracken was put on the carpet with questions regarding both the ministry and the British Broadcasters' Corporation.

U. S. Bombers Again Pound The Rhineland

London, Dec. 2.—(P)—Striking through rocket-hurling formations of German fighters, waves of American heavy bombers pounded the Rhineland industrial city of Solingen for the second day in a row yesterday while U. S. Marauders bombed Nazi airfields in northern France and Belgium.
The air ministry announced today that RAF bombers laid mines in German controlled waters last night, but there was no indication of any major activity. Two of the British planes were reported missing.
The third American attack on Germany in as many days was marked by fierce sky battles, and 27 Flying Fortresses and Liberators failed to return to their bases.
Thirty-three German planes were knocked down during the day's operations against a loss of 12 Allied aircraft. The missions included an attack on a German aircraft plant at Albert, France, and assaults against objectives in Holland and shipping off the Brest peninsula.

Free Lance Mining Area Is Watched

Pottsville, Dec. 2.—(P)—Federal officials in Washington are keeping a watchful eye on Pennsylvania's southern anthracite fields since the ban against unauthorized mining went into effect, an authentic source declared today.
The source, high in confidence of hard coal operators, asked anonymity as he explained that government agencies from the nation's capital are checking daily by telephone on developments in the free lance mining area.
He declined to identify the agencies or give the reason for the calls.
MacHamer estimated that at least a half-dozen collieries are still taking independent coal despite the opposition of officials of the United Mine Workers of America, who refused to sanction leases without guarantees union wages would be paid.

TWO PENNSYLVANIANS MEET DEATH IN CRASH

Beaumont, S. C., Dec. 2.—(P)—Two Pennsylvanians and four other crew members of a navy bomber were killed Sunday when their plane crashed while attempting to take off from the navy air base here, Sixth Naval District headquarters announced yesterday.
Navy officials said the bomber crashed immediately after taking off and burst into flames. Announcement of the crash has been withheld pending notification of the nearest of kin of the victims.

HUGE FORCES OF RESERVES ATTACKING

In Spite of Stiffening Resistance Russians Insist They Are Holding Their Lines

SOME SLIGHT ADVANCES

London, Dec. 2.—(P)—Huge forces of German reserves are attacking all along the 600-mile eastern front in a desperate bid to regain control of vital communications and supply lines and halt the surging Russian drive to the old Polish border, Moscow reported today.
The Russian declared, however, that they were holding their lines against the fierce Nazi onslaughts, and even announced slight advances in White Russia and in the Dnieper bend. There was no mention in the Russian communique of developments in the Kiev bulge, where the Germans previously had recaptured the rail junctions of Zhilovir and Korosten to regain control of a 45-mile-long stretch of the important Leningrad-Odessa railway west of the Dnieper River.
But the intensity of the fighting heightened, front dispatches to Moscow newspapers indicated, as both sides sought to improve their positions.
German defenses southwest of Krementchuk in the Dnieper bend, Moscow said, were crashed by Red Army troops, who held their gains against 15 mounded counter-attacks. At the Czekasky bridgehead, north of Krementchuk, Soviet forces battled their way toward the rail junction of Smela, beating down German counter-smashes, capturing many prisoners, 16 planes and 26 tanks, the Soviet communique declared. More than 2,200 Germans were reported killed in these actions.
In White Russia, Soviet troops plodded steadily ahead through intermediate German defenses northwest of Gomel to capture several villages on the road to Zhitovir. Other white-clad Red Army soldiers crossed the Pripiet river to the south to capture Narov, 14 miles east of Yelisk, Russian-held town on the Leningrad-Odessa railway, between Ovruch and d. Mozyr.

McKean Co. Reports Many Illegal Kills

Kane, Dec. 2.—(P)—Wanton killing of deer and spike bucks, many of them shot and left in the woods, was reported today by Game Protector William E. Carpenter.
Antlerless deer are on the illegal kill list. After the two-week hunt season which opened Monday ends, killing of deer will be permitted in seven counties specified by the game commission.
Carpenter, who said between 500 and 600 bucks were slain in the first three days of deer season, reported the carcass of a 300-pound bear, also on the illegal kill list, was found in Elk county.
The state's third hunting fatality was reported yesterday near Franklin when Leo Snyder of Transier R. D., Mercer county, was killed accidentally by a bullet from a companion's gun. Coroner P. E. Cunningham said the charge was deflected by a tree branch.
State police said a hunter identified as Earl Hobson, 17, of Venango, who was reported lost in the Allegheny National Forest for two days, returned safely to his camp at Morrison, 14 miles north of here.

Sensational Army Trial Under Way

Georgetown, Del., Dec. 2.—(P)—Calm and soldierly in his army uniform, 38 year old Warrant Officer Carl "Frenchy" Moultrie went on trial for his life today and heard the prosecution allege that he shot and killed his best friend, Warrant Officer John H. Worthington, and immediately afterwards asked pretty Mrs. Worthington: "Will you hate me for this?"
A description of events that preceded the shooting in the Worthingtons' fashionable Lewes, Del., ocean-front cottage Nov. 4 was given by Deputy Attorney General Daniel J. Layton, Jr., in Sussex county court immediately after Moultrie entered a formal plea of innocent and the court selected a jury of 12 middle aged Delaware villagers, all men. Moultrie is charged with murder in the first degree.

Hunger Strike In Prison Is Ended

Lewisburg, Dec. 2.—(P)—Six inmates of the Northeastern Federal penitentiary, who ended a two-month hunger strike yesterday, will remain on a controlled diet until they regain their strength, Warden William H. Hiett said today.
Hiett, who explained the men "just called it off," declared no punishment was planned for the prisoners, who returned food since September 26 in protest against examination of their incoming and outgoing mail by prison authorities. The regulation was not relaxed, Hiett added.
He said all six men were in "good shape" after being tubed for 30 days. They are serving sentences for violation of the Selective Service Act. Their names have not been made public.

Another "First" For Family of Destiny

Washington, Dec. 2.—(P)—China's destiny family—the Soongs—accomplished another "first" today. Tiny, sparkling Mayling is the first woman ever to participate in a war conference of the magnitude of the Cairo parley.
The American-educated wife of Generalissimo Chiang Kai-Shek was a ranking participant in meetings with President Roosevelt and Prime Minister Churchill.
Since the General's accession to the leadership of China 10 years ago, his wife has been increasingly influential in the conduct of China's affairs at home and abroad.

Allied Forces Concentrating In the Pacific

Hundreds of Thousands of Troops Momentarily Expecting Attack Orders

TARAWA AN OVERTURE

By WILLIAM L. WORDEN
Pacific Fleet Headquarters, Dec. 2.—(P)—The largest naval concentration in history and hundreds of thousands of Allied troops momentarily are expecting the attack orders opening a campaign against Japan of such magnitude as to make clear that Tarawa was only the overture.
It will be aimed against those hundreds of islands forming concentric rings of defenses for Japan's valuable conquests in the Philippines and the Indies.
There will be fights for islands which are not so much of value to the Allies as they are dangerous in Japanese hands. On them, Japan has stationed some of her finest army and navy troops under orders to stay until killed as they did at Tarawa.
American experts do not expect the Japanese to use anything like their full strength in the early or even middle stages of the campaign. Generally speaking, these islands face one of three fates: Direct frontal attack by overpowering force; encirclement and starvation; or bypassing and tactical encirclement.
Most of them doubtless will be taken.

Children of State Compete In Tin Can Salvage Drive

Harrisburg, Dec. 2.—(P)—Pennsylvania school children are competing for awards in a new tin can salvage drive which the State Council of Defense will sponsor during the next six months.
Colley S. Baker, committee chairman, said the leading school in every county each month will win temporary possession of a school tin salvage pennant with a county flag to be awarded permanently to the school with the best collection record. The contest started yesterday.
The state's tin can collection goal is 10,000,000, prepared cans each month, Pennsylvania is currently leading all other states.
The salvage committee also reported appointment of W. P. Gorman, of Altoona, as state chairman of a campaign to collect scrap in Pennsylvania hotel buildings during the week starting Monday, Dec. 6.
In another development, state council officials announced all county and city chief air raid wardens will confer here Thursday, Dec. 9, on new training plans and means of increasing efficiency.

Unrelenting War to Thrash Japan Into Unconditional Surrender and Tear Away Whole Empire She Won in Conquests Decided at Cairo

BRILLIANT DEVELOPMENTS SAID TO BE PENDING

By RICHARD McMURRAY
Associated Press War Editor

President Roosevelt, Marshal Stalin and Prime Minister Churchill were reported conferring today in the Persian capital of Teheran on a supreme drive to crush Germany before winter ends.

Dispatches from Washington and London suggested the big three were making as fateful a decision for Germany as that announced last night for Japan: A solemn resolve to thrash Japan into unconditional surrender, tear away the sprawling empire she has looted in the last 50 years and return the Japanese to their own insignificant home islands.

Russia was not a part to that "Pacific Charter" announced by Mr. Roosevelt, Mr. Churchill and President Chiang Kai-Shek, for Russia is at peace with Japan.

The more immediate process of bringing Germany to her knees proceeded in the bloody mud and ice of Russia, on the sodden mountains and river valleys of Italy and in the smokey clouds above the bomb-torn Reich.

CAPITALS ARE DETAILS FOR JUBILANT OVER INVASION ARE DEVELOPMENT DECIDED UPON

By RICHARD G. MASSOCK
London, Dec. 2.—(P)—President Roosevelt and Prime Minister Churchill, while charting a plan with Generalissimo Chiang Kai-Shek to beat down Japan, apparently have synchronized their global strategy to hasten the war on all fronts.
An agreement of the "big two" with Premier Stalin on co-ordinating blows to knock out Germany first is expected to follow the Cairo announcement before long.
There is a feeling that the much-predicted psychological offensive aimed at "softening" the Germans will be launched within a few days.

Gratification was expressed in Chinese and various European quarters in London at the declared determination to strip Japan of all the territories she has seized as the first approach to post-war planning for the Far East.
Premier Stalin's absence from the conference with Chiang seemed to indicate his steadfast desire to avoid any Soviet involvement with Japan.

Washington, Dec. 2.—(P)—A supreme Allied drive to crush Germany before this winter's end stood out today as one of the most probable subjects for discussion by President Roosevelt, Prime Minister Churchill and Marshal Stalin in their first three-way grand strategy conference of the war.
The principal requirement of Russian strategy, as understood by American experts on the eastern front here, is the fact that, while the Russians can mount major offensives in the winter and summer, they cannot undertake large scale operations in the spring because of heavy mud.
The recent Moscow meeting of foreign ministers and some Allied military experts afforded the first occasion for a full exchange of information. But the powers of decision, as vested in the president, prime minister and marshal, are (Turn To Page Eleven)

Major decisions were reported reached for brilliant developments in World War Two, and while the official announcement dealt only with Japan, no one questioned that the secret, day-and-night conference was global rather than strictly Far Eastern in character.
A reliable source—reporters were barred from the heavily-guarded proceedings—indicated that the American and British general staffs in their biggest meeting yet probably had decided details for a new offensive against Europe, as well as details of Mediterranean and Middle East affairs.

At a meeting not attended by the Chinese, these general staffs were reported to have engaged in long arguments and discussions on a European invasion before reaching a united front on details concerning the picture since the Quebec conference.

Marines Have Camels as Bit Of Equipment

If you've ever noticed the top of a Marine officer's visor cap, you've seen on it something you won't find on any other cap worn in Uncle Sam's service—a neat "X" of looped braid.

There's a story back of that braided "X", and it goes back more than 150 years, to a time shortly after the U. S. Marines were first organized.

In those days of sailing ships, naval battles often ended in close hand-to-hand fighting, as the crew of one ship tried to board the other—and Marines, of course, were in the thick of the fight. Some were in the boarding party, and some were posted in the rigging to fire down on the enemy. It was because of those men firing from high on the masts that Marine officers—whose uniforms from above resembled the enemy's—fixed "X's" on their hats.

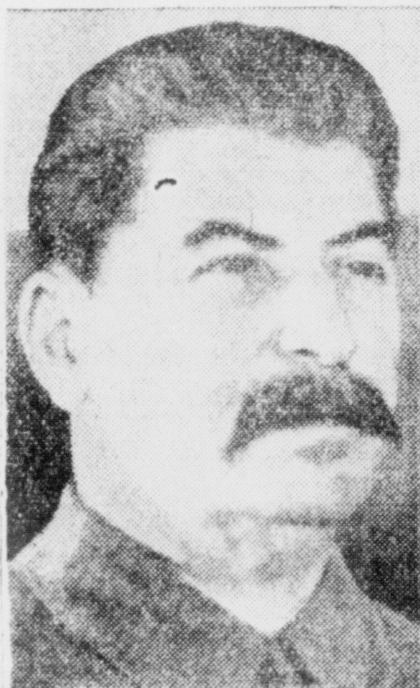

In other words, that braid meant to the Marines in the rigging, "X" marks the spot—not to shoot at! Since those days, the "X" on the cap has become a standard part of the Marines' uniform. Another piece of "standard equipment" you'll notice among Marines these days—whether they're wearing dress uniform or combat dungarees—is the American cigarettes they carry with them wherever they go. In all those news pictures you've seen of Uncle Sam's fighting men, snapped as they are relaxing while "off duty", you'll find that in most cases they will be smoking a cigarette. And what brand do they prefer? Well, actual sales records show that the favorite with men in the Marines—as in the Navy—is Camel. Likewise, according to the sales records, Camels are first choice with men in the Army.

Of course, the millions of men in training camps here at home want their cigarettes just as much as soldiers overseas—and here is a tip for Christmas shoppers: although it is now too late to send Christmas gifts of Camels to men overseas, you still have time to send that man in the service a carton of his favorite brand, if he's stationed anywhere in this country. Your dealer now has Camels in special Christmas cartons, gay and colorful—and he will be glad to wrap them for you for mailing.

RAZING HOUSES

Two of the houses on the property of the Penn. Furnace and Iron Company are being razed and the timber is being hauled away. The brick house formerly occupied by Henry Vills will not be turned down but will be used in work of the company. The two wooden structures, however, will soon be but memories. In the one house at the corner of Pine street and Pennsylvania avenue has some un-hewn timbers used in its construction and the other house has some hewn pine boards and joists and sills of almost clear pine. Some

of the boards are twenty inches wide. Ray Bimber has purchased one of the houses and is tearing it down and moving the lumber to his property at Starbrick where he will erect two cottages on the river bank for rental.

"DARK HORSE" PRESIDENT

The first "dark horse" U. S. presidential candidate was James K. Polk. He was not even voted on until the eighth ballot and was nominated on the ninth.

Civil Air Patrol Here Will Have Use of U. S. Army Planes

The Army Air Forces have made available to Civil Air Patrol in Pennsylvania nine Army liaison planes to be used in the work of the Civil Air Patrol in connection with the recruiting of Aviation Cadets. The fleet of Army Aircraft in charge of Civil Air Patrol pilots will shortly visit each Squadron of Civil Air Patrol and give all Aviation Cadets in each locality an opportunity to examine the ships and fly over their home country in them.

Squadron 53, with headquarters in Warren announces that all recruits for Aviation Cadet service will receive free rides in the Army liaison planes when the flight arrives in Warren. Those who have heretofore enlisted in the Aviation Cadet program and who are still in Warren, will likewise receive a free ride. It is hoped that after these planes have completed a circuit of all Squadrons in the State, one of these ships will be allocated to Group 5 of Civil Air Patrol and will be hanged in Warren where it may be used

for promoting Aviation Cadet Recruiting.

All young men who have reached their seventeenth birthday are eligible to enlist in the Army Air Force Reserve as candidates for Aviation Training. Civil Air Patrol Recruiting Rooms on Second Avenue next to the Western Union will be open from seven until nine p. m., Thursday evening to answer questions, and to provide enlistment blanks for all who wish to enlist. Representatives of the Cadet Examining Board of Erie will be present at the Elks Club on Friday December 3rd to give examinations to those otherwise qualified for enlistment as Aviation Cadets or in the Army Air Force Reserve as Cadet candidates.

A number of young men who have wished to avail themselves of the advantages of the Aviation Cadet program have delayed making application for enlistment while they were under eighteen years of age with the result that they were unable to complete the requirements for enlistment as prospective Aviation Cadets after they were eighteen and before they were ordered for induction under Selective Service. It is to be hoped that more young men of seventeen will investigate this program and that parents who are reluctant to have their sons enter the service will make the investigation of the advantages of this program before they permit their sons to be inducted under Selective Service and placed without regard to their particular wishes.

First radio license in the United States was issued to a resident of Cincinnati, Ohio, in 1911.

IRVINE

Fifteen members and one guest enjoyed a very pleasant meeting of the Ladies' Union at the home of Mrs. John Kofod on Thursday evening, Nov. 18th. The president, Mrs. Ernest Crull, presided and chose for the devotionals a Thanksgiving theme. Several splendid articles were read by members, showing we Americans have much to be thankful for and that "were thanks with every gift expressed each day would be Thanksgiving." Following devotionals and a business session a social time was enjoyed, during which Mrs. Kofod served delicious refreshments which, with table decorations of fruit and lighted tapers, were suggestive of the Thanksgiving season. A generous free will offering was received. The annual Christmas party is to be held at the home of Mrs. Roy Lightner on Thursday evening, Dec. 16th, and inexpensive presents will be exchanged.

ATHLETIC FIELD AS MEMORIAL

One of the suggestions made to the Town Council some time ago that as a post-war project an athletic field with baseball diamond, football field, tennis courts, a proper field house and a stadium be constructed on land formerly used by the Wilburine Oil Works. The idea caught on and became popular about the city. However, it was ascertained that the land had been optioned by a large manufacturing concern. Now it is found that the company has not as yet exercised its option but that it is still considering locating in this city.

Be that as it may, another suggestion as to the athletic field can be made should some action be taken. This suggestion is made by the Times-Mirror that the athletic field when built be a memorial to the men who died and served in the Great War. The matter of erecting a memorial of bronze, marble or some other material is one that the Times-Mirror feels would not be as much a memorial as an athletic field properly equipped and forever known as Memorial Field.

It is not too early to give this matter proper thought and to unite all movements to that end under one head so that the Memorial Field would contain everything necessary to make it a real memorial to the young men who loved sports of all kinds.

WHAT ABOUT PARENTS?

The following comment on a question that is receiving considerable attention throughout the country is taken from the editorial column of Harry Neily's Henry County Review, printed at Holgate, Ohio, which will be read with interest by his many friends in Warren where he started his newspaper career:

There is a wave of juvenile delinquency. No wonder. In the more populous centers papa works and mama gets easy money in munitions factories and Junior and Susie are left all day and maybe part of the night to their own devices.

On top of this, the "funnies" and the illustrated papers and magazines are full of pictures showing folks shooting at each other. The toy stores offer imitation pop-guns and kids who scarcely can walk approach kids of equal size, point the phoney weapons and say: "Boom! Boom!"

War always takes a heavy civilian toll—other than strictly military—and juvenile delinquency is no phenomenon thereof. It is a natural consequence.

Defiance has passed a curfew law, running juveniles off the streets at a certain hour. Haven't these kids got any parents? We have come to a sad state when public officials have to perform the function of parents who are unable to make their hopefuls behave.

CURB ON INSTALLMENT BUYING

Charge account and installment buying limitations are likely to stay for the duration, although a national banking association is clamoring for their relaxation.

The Federal Reserve Board which issued the original order says there are no plans to give up restrictions. A spokesman for the Office of Economic Stabilization, which would countersign any such move, said he saw no reason why restrictions should be eased or removed now.

Retailers are happy with these rules which help tighten up charge accounts. Consumers who need special credit extensions can arrange under the order to buy on a "lay-away" plan. The life of a charge account can be extended past two months by a written agreement to pay in six months. Or the purchaser can file a Statement of Necessity with the creditor and agree to pay in twelve months.

ANY WORN-OUT CLOTHING?

Read these figures and don't weep, but see to it that any unusable clothing you have gets into the salvage drive which is under way at the present time.

Civilian supplies of textiles are going to be short. Anything you can add to the general resources by handing it over to your local collection agency will help.

It is estimated that lend-lease purchases of cotton goods have run to 1,000,000 yards per day in the last month. They need another 3,000,000 yards of sheeting now. A new call has come from military buyers for almost 1,500,000 yards of heavy twill, 16,000,000 pairs of shorts and over 8,000,000 undershirts.

MAJOR UPHEAVAL IN HISTORY

War analysts generally are agreed that the Allied pact of Cairo regarding Japan marks a major upheaval in world history. It means that a powerful empire is to be wiped out. It means that the relationships among the nations of the Orient are to be completely realigned—that we are, in fact, to have a new Orient.

Interesting Items Taken From The Warren Evening Times

In 1923
Seven hucksters were on the curb market this morning with the largest offerings in many weeks. Potatoes had dropped to \$1.10 per bushel; apples were \$1.75; turnips were \$1 the bushel; eggs 75 cents the dozen; older 35c the gallon and chickens 40 cents the quart.

Workmen are engaged today in putting the big electric sign on the Warren Savings Bank in shape to stand a severe winter. Every bulb in the sign is being replaced with new bulbs.

Leslie Hill, deputy internal revenue collector returned home Saturday from Pittsburgh where he has been attending a school for tax collectors. He secured some valuable pointers and will be ready to add taxpayers in their computations.

It has been learned by Council that the new bridge across the millpond at the foot of Liberty street cost in the neighborhood of \$19,000 to erect. This is not the exact figure but is approximately correct.

Merle R. Schultz who is playing at present with the Leviathan orchestra writes home that he is enjoying the work greatly. The orchestra has been making a transcontinental tour playing only the larger cities.

In 1933
A black bear shot by Floyd Goddard, Water street, has been attracting much attention at the B and B Smoke Shop where it was hung. The bear is a good sized one and was shot by Goddard while he was hunting rabbits. He used a shell with a pumpkin ball.

The first meeting of the County Scout Council was held at Sugar Grove last night. There was a goodly attendance of leaders of the various county troops and the meeting was a pleasing one for all concerned.

Tomorrow evening another of the popular dances for boys of the Hearts Content CCC camp will be held in the Moore Club ball room. These affairs are highly popular.

The Order of the Eastern Star held an enjoyable affair last evening when they entertained at dinner. Husbands and men friends of the members were guests and the event was a happy one. Following the dinner a program was given with Herbert Harris as the chief speaker.

While Floyd York's truck was being driven near Cambridge Springs with a load of furniture it caught fire. The entire load of furniture and the truck down to the chassis was destroyed. Mr. York is from Youngville and the loss is a keen one.

What it Means

By ROBERT M. FARRINGTON

WHEN Bureau of Labor Statistics "doctors" want to know the nation's economic health, they shove a cost-of-living thermometer into the collective mouths of our largest and most important cities.

The reading (cost of living index) is supposed to show the price of the average commodity bought by the average family. Bureau statisticians burned out many a commuting machine estimating, weighing and adjusting the survey to average up a colossal number of factors.

Roughly one-third of a moderate-income family's money goes for food. A constant check is made on 78 important foods in 56 big cities.

Unfair To Extremes

Like any average, however, the index is unfair to the extreme highs and lows. To a housewife in Omaha, it is no consolation to learn that the national average price of a commodity is only one-tenth of one per cent higher when she may be paying much more than that locally.

Furthermore, one live man and one dead man counted together average out at each being half-dead, which may be a good enough average, but is scarcely a true representation of the case.

Despite the obvious drawbacks, the cost of living index still is the best measuring stick of what we buy that has been devised.

Recently a committee of experts investigating complaints that the index had lost much of its value as a guide to wage adjustments reported that it was essentially accurate but of limited usefulness in settling demands for higher wages to meet the rising cost of living in specific communities.

The study was begun during the last war to settle squawks of snarling workers that rising cost had outstripped their wages. It has been used frequently in wage negotiations ever since. A face-lifting job in 1935 ironed out its wrinkles of age, substituting among the items price-surveyed low shoes for high ones, pajamas for nightshirts, and rayon slips for cotton coasters and petticoats. It has been revised several times since then.

form" since she was a little girl of eight, back in Boston. She studied ballet, drama, voice—so hard she had to spend nearly two years in bed, part of the time fearful she might never walk again.

Her brother Ray, a year her junior, used to practice tap routines in her bedroom, "and that," says Grace who is now auburn-haired, "did it. I would try slow, at first, to imitate him, and little by little I made it."

SHE was 15, and Ray 14, when they teamed up in vaudeville as a song and dance act. Their father was a movie trade paper man, their strongest booster and heartiest critic.

Grace came to Hollywood from a dancing role in Broadway's "Babes in Arms." Ray had preceded her, was making good headway at M-G-M when the Air Forces called him. Grace's first picture, "Dancing on a Dime," was her last for a while. She likes to forget it. She hurried back to Broadway and more shows, and this time when she came to Hollywood she took care to learn something about camera technique. She clicked.

But what she really wants to do, after the war, is to team up with brother Ray in a dance act again.

Grace does. Right now she's performing in the biggest role of her career, in the multi-starrer story of a U.S.O. overseas tour, "Three Cheers for the Boys." The picture rings in the talents of a glittery crew—Orson Welles, Dietrich, Jeanette MacDonald, Sophie Tucker, Dinah Shore, to name a few—besides the acting cast of Grace, George Raft, Vera Zornka, Charles Grapewin.

1944 Crop and Seed Loans Now Available

Pointing out the desirability of purchasing fertilizer and other supplies for 1944 crops well in advance of the planting season, Field Supervisor I. J. Nealon of the Emergency Crop and Feed Loan Office at Butler, has announced that he is now accepting applications for crop and feed loans for spring planting.

"The War Food Administration is urging the early purchase and storage on farms of fertilizer required for 1944 crop production," Field Supervisor said, "due to the tight labor situation, transportation difficulties, and limited storage facilities off the farm, considerable quantities of fertilizer must be purchased and delivered to farmers over a six month's period rather than the usual sixty-day period."

"In order that farmers in this section may cooperate and purchase their fertilizer, seed, and other supplies at this time, the Emergency Crop and Feed Loan Office is prepared to make loans up to \$400 to these farmers who are eligible," he continued, "advances on these loans will be made as the money is needed."

Crop loans are secured by a first lien on the crops to be produced and fed loans by a chattel mortgage on the livestock to be fed. The interest rate is 4 percent per year. Farmers who wish to apply may communicate with Field Supervisor Nealon at Box 454, Butler, Pennsylvania who will arrange to accept their applications, or Richard Evans, Alderman, Penna. ave., Warren, Pa., who will take applications during his office hours, 9 'til 12 noon and 2 'til 5 p. m.

YOUNGSMITH NEWS

The Orange Circle held their annual Christmas meeting Wednesday with Mrs. John Zelliff. A Christmas devotional was conducted by the president, Mrs. Guiney Hall was the social leader. A grab bag was presented. Gifts were brought also for the children of pre-school age. A calendar committee with Mrs. John Zelliff, chairman, was appointed. The January meeting will be with Miss Nellie Knapp. A delicious co-operative dinner was served in the dining room.

Thanksgiving guests of Mr. and Mrs. C. S. Mead were Mr. and Mrs. P. H. Mead and daughter, Marjorie, of Erie, Mrs. Mead's brother, Clarence Bury was also a guest.

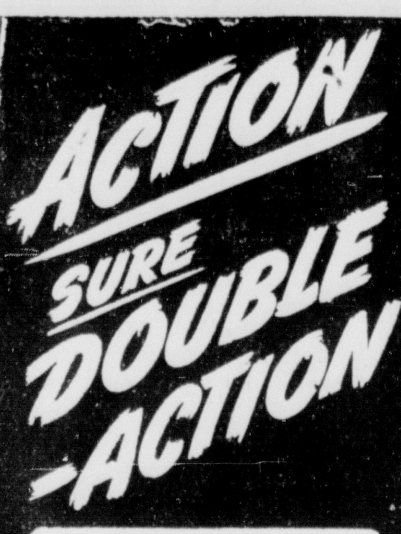

Guests for a few days this week of Mrs. Clara McKinney are Mr. and Mrs. R. C. Young, of Franklin. The men of the group are trying their luck at deer hunting. Mrs. Ellen Allen and Mrs. Mary McFarland, both of Bradford, were recent guests of Mr. and Mrs. C. S. Mead. Mrs. Ellen Allen has now gone to Tulsa, Okla., for a winter visit and Mrs. Mary McFarland is on her way to Brea, Calif., where she will make her home with a son. Enroute she stopped in Tulsa, Okla., to visit a brother.

Mr. and Mrs. Floyd Buchanan were Thanksgiving guests of Mrs. Buchanan's mother Mrs. Allie Damann.

TAX FOR FIRE

Funds for the rebuilding of London after the disastrous fire of 1666 were obtained from a tax on coal and wheat landed at the Port of London.

Instead of dipping radishes in salt, the French prefer to spread butter on them.

Rumford is the all-phosphorus acting baking powder that makes your wartime baking sure. It contains no alum - never leaves a bitter taste, but Rumford is famous for its nutritional value - contained in calcium and phosphorus, the minerals that help to build and maintain strong bones.

MADE GOOD TIME

Good time was made by the Fire Department in taking the rescuator to Sheffield yesterday morning when it was desired to use it there. The truck with the machine made the run in 18 minutes only to be held up at the Sheffield crossing for some time by a long freight which was passing.

GOOD BILL OFFERED

At the Marconi Club an especially pleasing floor show is being offered this week. Headed by Tony Ziro, master of ceremonies and a comedy star three acts are being given. Bobby Yule, a juggler of much ability and Dorothy Jackson, a singer complete the offering which is winning much favor.

PICTURE CLIMACTIC

"The Battle of Russia" being shown at Liberty theater for the last time tonight is one of the most dramatic and thought inspiring ever shown here. Depicting various phases of Russian history it is a documentary film of the World War and some of the scenes are most soul stirring.

FARMER WAS PLOWING

Motorists driving through Saybrook yesterday noted with interest one of the farmers there engaged in plowing a field. The earth turned up looked dry and in good condition for plowing. Observers were of the opinion that it was a late date for plowing to be done but the exceptional weather favored the work.

NEW COUPONS OUT

Gasoline dealers are urged to note that the new "E" and "C" coupons are now in circulation. The new coupons are worth five gallons, as compared with the old ones which were worth two. They are easily distinguished as the new coupons display a prominent "E" and "C" as contrasted with the small "E" and "C" on the old coupon. Both types of coupons are valid indefinitely. The purpose of the larger coupons is to conserve paper.

REDCOATS FEW TODAY

With the deep season four days old the redcoated hunters were few and far between on the streets here today. There were a few but not in the numbers that have been in town other days of the season. It is expected that there will be a return of the hunters over the weekend and that next week another big influx of hunters will arrive. Reports coming in are to the effect that over thousands of dollars are being left in the county by the hunters in camps, rooming houses and hotels.

FINAL ASSEMBLY

By E. H. LEFTWICH

Chapter 16

"I ASK week," Pete said to Ken Dover, "you told me yours was the hardest working department in the plant."

"Sure, I did."

"Well, if that's the case, how about those two girls?" He nodded toward a pair of girls who were leaning on a section of cowl and arguing heatedly. "All last week, I didn't see either of them do a bit of work. All they did was stand around and argue, like they're doing now."

"Oh, those girls," Ken said and winked at Pete. "Those two are exceptions."

"If they are exceptions, then why doesn't the foreman fire them?"

Ken laughed. "He can't."

"Why not?"

"Well, you see, it's this way: he's been running around with the thin one for six months or so, and a couple of months ago he started running around with the other one. He couldn't shake loose from the thin one, so now, he has to go with both of them. He has a time keeping one from knowing that he's going with the other, and because he's going with them he can't afford to make them work when they don't want to."

"Well, aren't they suspicious?"

"Sure they are. That's why they argue so much."

"Kind of a mess, isn't it?"

"Yeah, but that's the kind of a guy Mug-head is."

MUG-HEAD walked up waving a print. He thrust it toward Ken. "I give up," he said. "I can't find the location of the flange in detail J. How about you finding it?"

Ken smiled. "Sorry," he said. "but I gave up an hour ago. It's no use. I can't find it either."

"Okay," Mug-head said waving a hand. "Take it to Kitty."

Ken picked up the print and started toward the paint shop. Why, Pete wondered, was Ken taking the print to Kitty? She worked in the Paint shop. Surely she knew nothing about mechanical prints.

At lunch time, unexpectedly, he had a chance to ask Kitty about it, but he was so excited over the fact that she had smiled at him and consented to eat with him that he forgot about the prints. There were more important things to discuss, such as arrangements for a date for that night.

"I'm sorry, Pete," she said. "I really am. But tonight, I have a date with Charley."

"Then, how about Saturday night?"

"I'm going to a little private dance, then."

"With Charley?"

"Yes."

Pete got up from the table. "Okay," he said. "If you want to go with Brackmyde altogether, that's your business. I guess I know where I stand."

She reached out to lay a hand on his arm but he had left.

THAT night, on the way home, Les had wanted to know how Pete was coming along with his investigation of the sheet-metal department.

"Fine," Pete said. "My report is just about ready to turn in and if Melvin does his part, there'll be a good shake-up in the sheet-metal department, just after I'm transferred."

"What did you recommend?"

"First, the foreman will be put back on the bench and the leadman, Dover, given his job. About half the department will be put on different kinds of work to which they are better suited and a couple of girls will be fired."

"When? That's some order. I'd surely hate to be in your shoes"

If they ever find out what you are doing."

"I'm not afraid, Les, but I don't want them to find out. It would spoil the entire plan if they did. So, I'm counting on you and the few others who know about the deal to keep quiet about it."

"You bet," Les assured him. "I'm not the kind of a guy who enjoys picking up a pal with a shovel."

For a moment they were silent. Then, "How are you and Kitty getting along these nights?" Les asked. "I saw you at lunch together tonight."

"Not so well," Pete said. "I just can't understand her. Les, she has the whole plant at her feet, yet she has to pick out a guy like Brackmyde to run around with exclusively."

"It's a shame," Les agreed. "Brackmyde is not only a louse, but I wouldn't be a bit surprised if he isn't out for a little high-class sabotage on the side."

"What makes you think that?"

"Well, night before last, I saw him crawling out of Number 316. That ship goes out the door tomorrow and he had no business in it. No one but inspection was allowed to go into that ship."

Pete frowned. "There may be something in what you say. One night after I'd first started to work, old man Mose and I saw him coming out of a tail section with a pair of pliers in his hand. I expect it would be a good idea for us to sort of keep an eye on Brackmyde."

"Right."

"And if we actually find that he's damaging the ship, we'll know what to do about it."

"You bet—and say, I almost forgot. Old man Mose said to tell you that he might get to quit most any day now. The Termination Request Forms are just about ready to be printed."

PLEASING PROGRAM FOR PHILOMEL CLUB

Philomel Club members enjoyed a delightfully different program at the regular meeting held at the Woman's Club Wednesday afternoon. In charge of Eugene Kuester, of the Warren Conservatory faculty, the program was termed "An Afternoon With Gilbert and Sullivan." After Mr. Kuester had spoken very entertainingly on the lives of the two composers, he presented several of his voice students in a condensed concert version of "Pirates of Penzance." Mrs. Kuester was at the piano to accompany Margaret Drivas, Dolly Valone, Violet Borg, James Wilson and Mr. Kuester.

Mrs. Allie Russell, club president, announced Mrs. Anna Wilson will be in charge of a study on "Christmas Carols" next Wednesday and that the Christmas program on December 15 will be in charge of Mrs. Borg with Mrs. H. F. Clawson as hostess chairman.

HONOR DAUGHTER

Mr. and Mrs. James Knupp, 9 Bauer street, entertained the following guests at a buffet supper last evening to mark the birthday anniversary of their daughter, Violet Elaine: Gerald Loomis, Mike Gurdak, Mr. and Mrs. Steve Simons, Geneva and Russell Knupp. She was the recipient of many nice remembrances of the event.

EVENING RECITAL AT RUSSELL STUDIO

Mrs. Allie Russell, 205 Pennsylvania avenue, east, will present her pupils in a recital at her home studio at eight o'clock this evening and extends a cordial welcome to parents and friends. Assisting the young pianists will be Mary Sigworth, contralto and pupils of Mrs. Betty Smith.

Adobe houses of six or seven stories were built by Mexican Indians in ancient times.

PERSONNEL CHANGES

Changes in local and county liquor stores within the past few days sends George Nelson to Sheffield as manager and returns L. W. McNamara to the Warren store as chief clerk. Casper Sealise, Jr., with the board for the past two years in Erie and Warren stores, left this morning for a new position in Pittsburgh.

APPLES NOT KEEPING

Reports from over the county are to the effect that apples in storage are not keeping but that they are rotting badly. Just what causes this is not known but many have suffered quite a loss on their apple crop due to this feature.

ERROR IN NUMBER

Pleasant township residents have been asked by Glenn Kiser to call him at 1952-W if they have waste paper for the pickup to be staged next week. This number was incorrectly announced in Wednesday's Times-Mirror.

WANTS ALL YOUTHS

Capt. W. J. Steurnagel, of the aviation cadet examining board at Erie, reports that he will be on hand promptly at ten o'clock Friday morning at the Elks Club here to interview all 17-year-old youths interested in enlistment in the aviation cadet reserves.

DISMANTLING TOWER

The big tower at Sherrill's surrounded by a huge water tank erected many years ago as a precaution against fire by the Metzger-Wright Company is being torn down. Workmen are now engaged in the task which is a rather delicate one. The property upon which the tank stands was recently sold to S. L. Sherman, of this city who has disposed of the tank to a firm in St. Louis. It will be shipped there as soon as it is dismantled by the workmen engaged. The tank is of 60,000 gallons capacity and the tower upon which it rested was 50 feet in height.

Obituary

MRS. MINNIE BLOOM

Funeral services will be held at the family home at 2:30 p. m. Saturday for Mrs. Minnie Bloom, 522 Fletcher street, Titusville, whose death occurred in City Hospital yesterday morning after an illness of two years.

Mrs. Bloom, widow of Leonard Bloom and mother of Elmer Bloom, of Warren, was born in Sweden in 1870 and came to Titusville with her family at the age of four months. She was admitted to the hospital on November 24.

Besides her son here, she leaves the following children: Leo A., Butler; Henry E., W. Archie, Kenneth E., Bert M. and Elwin J. Bloom, all of Titusville; also two brothers, August Johnson, Kokomo, Ind. and Bert H. Johnson, Titusville. Two children and her husband preceded her in death.

FLOYD RUDOLPH PETERSON

Floyd Rudolph Peterson, of Pleasant township, passed away suddenly about 12:30 p. m. Wednesday in Warren General Hospital after having been ill only since Sunday and having been admitted to the hospital during the morning hours. Mr. Peterson was born in Warren August 24, 1903, and had spent his entire lifetime in the community. He was a member of the First Lutheran church, the Fairchild Gun Club and Pleasant Grange. He had been employed at Struthers-Weiss for the past year and had been engaged to provide bus transportation for Pleasant township school students for the past two years.

He is survived by his wife, Madeline Froman Peterson, and one daughter, Doris Elizabeth, at home; his parents, Mr. and Mrs. Henry Peterson and one sister, Mrs. Glenn Kiser, all of Pleasant township.

Removal was made to his home, where friends may call and from where services will be held at two o'clock Saturday afternoon. Interment will be made in Oakland cemetery.

HERD NOT RELEASED

Reports have been current in the vicinity for some time past that the deer herd in the Wilder Game Preserve at Irvine had gone into the woodlands through the medium of a large gap in the fence at the back of the preserve. The reports were to the effect that the deer had all left the preserve and that the owners were glad of it. Inquiry yesterday elicited the information that the herd had not been released, had not escaped and were being guarded carefully so that no bird with a yen for deer could shoot one. The animals have been an attraction at Irvine for many years and hundreds have watched them feeding. Many of the animals are comparatively tame and come to the fence to eat out of the hands of passing motorists. It is good news that they have not been released.

The annual Advent corporate communion for men and boys of Trinity Memorial Episcopal church will be held Sunday morning at eight o'clock with the Rev. Beecher M. Rutledge in charge.

Armour Ideas Make the Most of Meat

A Star Bacon Feast for Hearty Eaters

You know, not all the best wartime meals were discovered since Pearl Harbor! For instance, this big country-supper of Star Bacon and eggs with fried potatoes has always been a favorite of hearty eaters.

After this kind of meal your friends will slowly push back their chairs and sigh with satisfaction. And satisfied they will be, too... for there's delicious and solid nourishment in every bite of this big meat meal.

First, put several strips of Armour's Star Bacon in a cold frying pan over

low heat and fry slowly for 6 to 8 minutes. You'll notice a tantalizing fragrance right away... for Star Bacon is slow smoked over hickory and hardwood fires... has that smoky savor that all America loves.

Pour off fat as it accumulates, removing bacon to warm plate when it is crisp but not brittle. Fry Cloverleaf eggs in bacon fat (a great way to spread the bacon flavor) and arrange on toast as shown. Serve with a big side dish of fried potatoes.

Fifty Girls Now Sought By Uncle Sam

At the United States Employment office recruiting of 50 girls for service in Washington, D. C. is under way. Manager Levine spent some time in Oil City yesterday receiving full information of the work the girls will do, etc. The demand for the girls comes from the Headquarters, Army Service Bureau and there are many vacancies for typists, stenographers and clerks.

The typist requirements are light, only 20 words per minute and for Junior Stenographers who can type 20 words a minute and take dictation at the rate of 60 words a minute or senior stenographers who can type at the rate of 40 words a minute and take dictation at the rate of 80 words a minute. Also Junior Clerks who take a simple test and who do not have to type at all. The salary range on these jobs is \$1752.50 to \$1970.00 a year. Age limit from 17½ years up.

In addition to these salaries the following advantages are offered by the government at Arlington Farms: Excellent living quarters; meals at a moderate rate are guaranteed. The basic idea is to send the applicant to a field installation for two weeks training such as Washington and Jefferson College, Washington, Pa. Upon completion of this course of training the individual is sent to Washington, D. C., transportation paid in addition to \$6.00 a day expense money. Upon arrival at Washington, D. C. the applicant is met by an Army Service Force representative who takes them to Arlington Farms for housing and for preassignment to a school with the instructors from the best colleges and commercial schools in the country.

There are also courses given here that count toward college credits. These courses are in addition to the training given in connection with the job.

Salvation Army Home League Active Women's Association

The Home League is an association of women without class distinction for mutual understanding, encouragement and education which meets weekly in the Home League Room, 215 Penna. avenue, Warren, Thursday afternoons at 2:30 p. m. A popular feature of Salvation Army service throughout the world. All women over 18 years of age are welcome. Not a dull moment at any time. Program features, counsel and direction upon matters affecting home management and the training of children—domestic problems—typical lectures, entertainments, etc. This invitation is to all mothers and grown daughters. Through-

out the program arranged. League members are expected to carry on the required knitting and sewing for Soldiers of War. Another service the ladies are doing is for the wives of service men who become mothers. The Army hopes to supply every wife of a service man who becomes a mother with a layette in Warren and Warren County. During the month of November many gift packages have been sent to the boys in the service. Many boxes of home made cookies and sewing kits made up by these ladies have been sent also. Many wonderful letters have come back to us from the boys who have received these (Turn to Page Twelve)

FOR MUNITIONS AND MEDICINE

In addition to being an important ingredient of munitions, glycerine has its place in medicine. An analysis of some 15,000 prescriptions has shown that glycerine appears more often than alcohol in a compound, and among liquids used is second only to water.

NOTICE

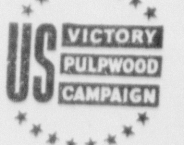

"Pulpwood cutting has recently been listed as an essential occupation and those engaged in it should now include such activities in connection with any application for supplementary gasoline, tire, or automotive rationing.

"If you are using gasoline-powered equipment in sawing, drawing or trucking pulpwood and it is absolutely necessary for you to have an additional allowance, you should report the fact to your local rationing board, giving full information as to the number of cords to be cut and the distance it must be trucked.

"Ceiling prices for pulpwood have been set by this office and are available upon application to your nearest OPA District Office. There is no present intention of revising these prices."

Holiness Convention Planned in Pilgrim Church Over Sunday

Beginning tonight and continuing over the Lord's Day, there will be special services at Pilgrim Holiness church in Fourth avenue in the form of a Holiness convention.

Rev. Paul F. Elliott, superintendent of the Pittsburgh District, will be the principal speaker. Rev. Elliott broadcasts every Wednesday and many in this vicinity who have heard his message will welcome the opportunity of greeting him personally.

In charge of the special music and artist work will be J. Orlando Yount, of Titusville, who plays vibraharp, accordion, solovox, harp, sawshone, pitchfork and bells. He will draw pictures of Bible incidents at each service.

It is announced that the church bus will leave Park street each evening at 7:15 o'clock to bring East Side worshippers and the pastor and congregation extend a cordial welcome to all interested.

Seal Sunday Arranged In Churches Here

Next Sunday, December 5, has been designated as "Christmas Seal Sunday" in a large number of churches of Warren, according to G. M. Borg, chairman of the church committee of the Warren County Tuberculosis Society.

The printed programs of these churches will carry a special message regarding the seal sale and will have Christmas Seals affixed. Cooperating churches are First Presbyterian, First Baptist, First and St. Paul's Lutheran, Trinity Memorial, Holy Redeemer, St. Joseph's, Grace and First Methodist.

Churches Uniting In Meetings Of Week's Duration

Prof. Edward J. Aeschliman, of Rochester, N. Y., for 20 years a missionary of the Methodist denomination in China and a member of the faculty of Peking Theological Seminary, will be guest speaker for a week of union meetings to be held by First and Grace Methodist churches here.

Dr. Aeschliman, on furlough from China but expecting to return there soon to resume his work, will preach in First church Sunday morning and at Grace church the same evening. Continuing, service will be held in Grace church on Monday, Tuesday and Wednesday nights; First church on Thursday and Friday evenings. On Sunday, December 12, Dr. Aeschliman will speak at Grace church in the morning and close the series of meetings with a mass service in First church in the evening.

Mr. Aeschliman first went to China in 1919. He was stationed at Peking, where he was assistant pastor of the large Asbury Methodist church and secretary of work among college and high school students in that city. In 1925 he was transferred to Tientsin as missionary in charge of the district and as director of student work in the Tientsin Middle School. More recently he has been in Peking as professor in the theological seminary and as associate superintendent of the Peking District.

A native of Wisconsin, he received his education at Lawrence College and Garrett Biblical Institute. Before going out as a missionary he was a YMCA secretary in Wisconsin and in Chicago. In 1915 he was licensed to preach by the Methodist church and served two years as an assistant pastor in Asbury Methodist church in Rochester, N. Y.

Youngsville to Oppose W.H.S. in Cage Opener

Leahy Be Good

Three Games Are On Bill For Local Cage Floor Fans At Beaty Court Friday Evening

Take it from one of the most enthusiastic Blue and White Rooters "Warren this year has one of the best basketball teams since 1938 when the outfit blistered the court floors of this and sundry other schools."

And with "them kind words" the lid will be ripped off the court season here tomorrow evening when Youngsville comes up for the opener. Especial interest will be added to the game inasmuch as Joe Pessaro, coach of Youngsville's athletic teams will leave soon to enter the U. S. Service. The game tomorrow night may be the last appearance of the popular coach with a Youngsville team. To that end the Youngsville lads promise to "go all out" for their coach in an endeavor to send him away with a Warren scalp dangling at his belt.

So with that mixture to be added to the other ingredients for a basketball game the fans can rest assured that they will see some prime basketball and two of the scrappiest floor fives imaginable. The locals are fast and shifty and

will take into this game some fine passing and shooting that ought to stir the fans and keep the old gym ringing with the lusty yells for which the Warren rooters are famed. Youngsville, too, will have a bunch of welkin fingers accompanying their outfit and the cheering will also be a feature.

This opening game is being watched with considerable interest by followers of the Dragons and it will give the tip off on the team. With a tough schedule ahead for the season Warren must be plenty good to come through with a majority of wins on the credit side of the ledger.

The prelim should also be good as the Youngsville seconds will face the Warren seconds. This game will start at 7 and the big game will take the floor at 8. So be in your seat with a season ticket in your hand and be prepared for a rise in blood pressure.

And just to make it more interesting if you have a yen for a evening of fuss and frolic on the courts a prelim will take the floor at 6 o'clock.

Baseball "Rebels" Keeping Fingers Crossed Awaiting A Decision By Judge Landis

By SID FEDER

New York, Dec. 2.—(P)—The "rebels" who tried to blow Kenesaw M. Landis part-way off his baseball throne kept their fingers crossed today in the last desperate hope the high commissioner, himself, might put some new life in their slightly-dreaded revolution.

And as they waited for the decision of "the head" on the appeal they took to him last night, after the rebellion was practically blown apart at the general meeting of the National Association of Professional Baseball Leagues (the minors), the assembled delegates at the winter meeting finally found a bit of choice trade talk to chew on.

In the middle of this gossip around the ivory market places were the Washington Senators, and assorted rumors had them dithering with (A) The Cleveland Indians, (B) The New York Yankees and (C) The St. Louis Browns. Ossie Bleue, the hurrying manager of the Nats, was

about the busiest guy around the place as he went into a set of huddles with Lou Boudreau, the Tribe's boss; Luke Sewell, the Browns' pilot, and Joe McCarthy of the Bombers.

Out of these, the most frequently passed-around tip was that the Nats were after pitcher Jim Bagby, infielder Russ Peters and fly chaser, Jeff Heath from the Indians. The Tribe, which needs a center-fielder almost as much as it needs cash customers, wanted in return outfielder Stan Spence, pitcher Bobo Newsom and infielder Johnny Sullivan. None of the Cleveland officials explained what the wanted Bobo for, however. The nitch in this entire transaction appeared to be that Washington didn't want to give up Spence, one of the top center gardeners in the American League.

On top of this, it also was learned that Bleue had approached the Yanks with an offer for Newsom for George Sternweiss, the rapid infielder who has been placed in 4-F by his draft board.

Penn Football Attendance Tops Nation For Six Years

By TED MEIER

New York, Dec. 2.—(P)—Over the last six years the University of Pennsylvania has drawn more persons to its home football games than any other team in the country, an Associated Press survey disclosed today.

The survey, which showed a drop of 18.4 per cent in grid crowds during 1943, as compared to 1942, revealed that a total of 2,143,500 persons turned out to watch Penn play at Franklin Field in Philadelphia from 1938 to 1943, inclusive.

Taking second place in home attendance over this six year span is Ohio State at Columbus, O., with an aggregate of 1,653,277, a mere 2,000 more than the 1,651,269 credited the University of Southern California at Los Angeles.

Notre Dame plays most of its games to capacity crowds on the road and hence the Fighting Irish are down in 12th place in this six-year home attendance tabulation with 980,000.

They are preceded by the University of California at Los Angeles in fourth place with 1,509,246; Michigan in fifth with 1,476,331; Minnesota in sixth with 1,376,954; California in seventh with 1,342,960; Northwestern in eighth with 1,307,424; Tulane in ninth with

1,223,962; Yale in tenth with 1,132,800; and Navy in 11th with 1,043,870.

After Notre Dame comes Army with 958,737; Pitt with 953,000; Harvard, not including 1943 because the Crimson played only informally, with 948,591; and Wisconsin with 902,824.

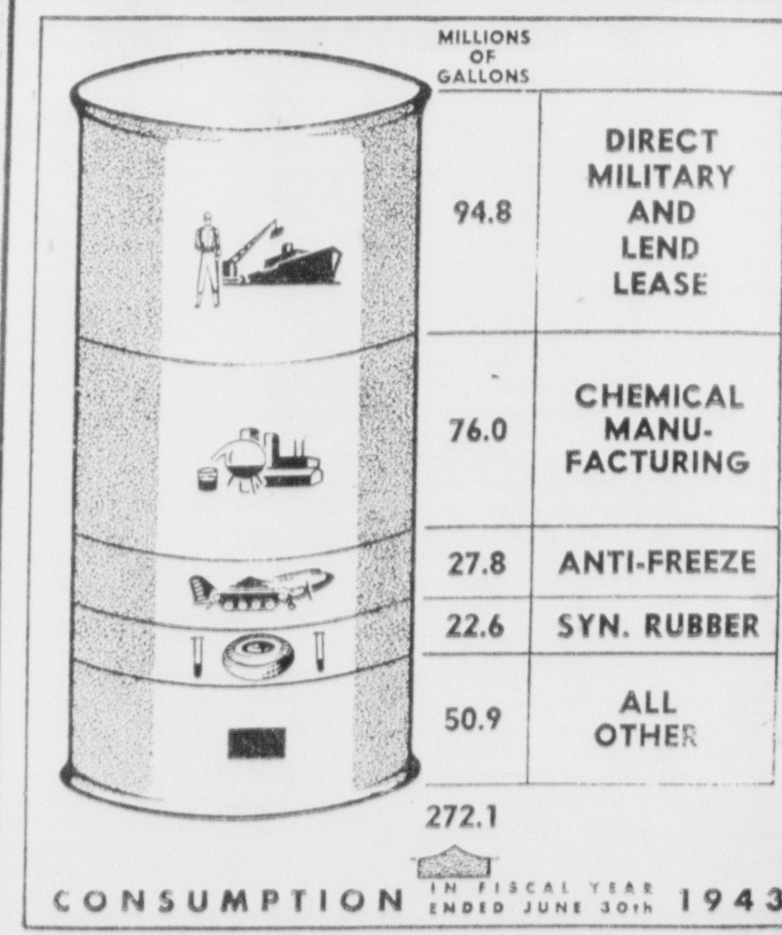

Michigan, which drew the biggest crowd of the year, 86,000 for its game with Notre Dame, was second in 1943 attendance with 230,000. Northwestern was third with 210,000; and Ohio State fifth with 191,562.

BUILDING A BETTER WORLD

A new health teaching unit, "Building A Better World," has been distributed to school teachers by the Pennsylvania Tuberculosis Society and its affiliated organizations. Dr. Francis B. Haas, State Superintendent of Public Instruction, commented that he had reviewed it "with great interest."

The unit was developed around the theme of building better physical and mental health among children during wartime and the inspiration for it came from the 1943 Christmas Seal.

ALCOHOL'S USE DURING WARTIME

ATHLETICS WILL TRAIN AT FREDERICK, MD.

Frederick, Md., Dec. 2.—(P)—The Philadelphia Athletics will train at McCurdy Field next spring under Roger B. Wolfe, president of the Frederick Chamber of Commerce has announced.

Wolfe said he received a letter from Connie Mack yesterday notifying him the A's would do their training in Frederick. The players will begin arriving about March 11, Wolfe said he was informed in the letter.

Earle Mack, son of the veteran Athletics manager, inspected facilities at the Frederick Park about a month ago.

The Toronto Club of the International League also was reported interested in training here, in which case the Leafs would probably use the high school field.

Ohio has more cities with populations greater than 100,000 than any other state in the Union.

Lt. Parsons Is Members of Buried In Far Troop Two To Off Australia Be Elevated

Mrs. Leslie G. Fobes, 511 Fourth avenue, has learned through her parents, Mr. and Mrs. C. A. Parsons, of Erie, that her brother, Lt. Laverne F. Parsons, has been given Christian burial by an American army chaplain and lies in the American cemetery in Australia.

Lt. Parsons was reported killed in action in late September in that combat area. It has since been learned through government and personal correspondence that he and his entire Liberator bomber crew of ten were killed in a plane accident while returning from a bombing mission over Japanese holdings. Full details have still not been learned because of wartime restrictions on issuance of such data.

either encircled or bypassed. American lives will be expended in frontal assaults only against those which cannot be eliminated otherwise.

The likelihood of the Japanese grand fleet coming out to fight in the near future is regarded on a pure tactical basis as extremely remote. That fleet now is greatly outnumbered and the Japanese know it. So long as it remains intact, it compels the Americans to guard with similar fleets many points in the Pacific.

Station said Mrs. Tomlinson's first husband, Guy Hiddings, was killed in action some time ago with the British forces in Africa. She married Flight Officer David Tomlinson two months ago, they said, and was despondent because she and the children were unable to join him in England.

Detective Edward Houlihan said it had not yet been determined whether the woman pushed the two children from the hotel window and then followed them or whether one child went first and she plunged a few seconds later with the second boy in her arms.

Washington, Dec. 2—(P)—The flashing of news about the Churchill-Roosevelt-Chiang conferences from European capitals while the American public generally had to await an official release of the information to this country's news outlets aroused reverberations in congress today.

One member, Rep. Carlson (R-Kans.), likened it to the delayed reports on the Tokyo air raid and the Patton soldier-slapping incidents.

Elmer Davis, chief of OWI, is reported now to have protested formally to Brendan Bracken, British minister of information, over what he considers the premature publication of the Cairo conference by Reuters, British news agency.

Reuters explained that its announcement, made from Lisbon, was simply journalistic "enterprise". But Davis rejected the explanation. The OWI head, plainly indignant, declared that American newspapers had the full story, but complied with official requests that it be held up until 7:30 p. m., eastern war time, Wednesday.

Davis made it clear that he felt the fault lay with British censorship in London.

Members of Troop Two To Be Elevated

The Eagle Scout application for Martin Carlson and the Life Scout application of Paul Eaton, both members of Explorer Troop No. 2, were approved at a special meeting of the Advanced Review Board of the Warren County Council, Boy Scouts of America, it was learned today from H. L. Blair, chairman.

Both Scouts are scheduled to enter the armed forces of our country on Friday morning this week. They had been working for weeks to complete their Scout work before they were required to leave town.

The actual awarding of the badges will have to be done at a later date and will be done at a meeting of the Troop Court of Honor, held for the purpose by the Troop Committee.

The Eagle application of Martin Carlson showed that he became a Scout on October, 1937; became a Scout on January 31, 1938, First Class on May 8, 1939, Star on February 21, 1940, Life on February 28, 1941, and Eagle on November 29, 1943. His application further showed that he had achieved Merit Badges in the following subjects: Rowing, canoeing, woodwork, swimming, reading, fireman-ship, first aid to animals, carpentry, handicraft, first aid, life saving, personal health, public health, cooking, camping, civics, bird study, pathfinding, pioneering, safety and athletics.

The Life Scout application of Paul Eaton showed that he became a Scout on October, 1937, became a Scout on January 31, 1938, First Class on April 29, 1940, Star Scout on November 1, 1940, and Life on November 29, 1943. The Merit Badges which he has earned are: First aid, athletics, personal health, public health, life saving, safety, pioneering, pathfinding, rowing, fireman-ship, carpentry, woodwork, swimming, cooking and handicraft.

Members of the special reviewing board were H. L. Blair, chairman; William H. Clayton, Cannon and J. R. Reddick.

Eight miles inland, the Germans still fought desperately to retain the town of Castel Roncone, five miles beyond the river, after the British reached the outskirts.

Further inland, official dispatches said, Eighth Army units pierced German defenses and were "very near" the important town of Casoli, 14 miles from the Adriatic on the main lateral road which has been the enemy's chief supply route behind the Sangro line.

Simultaneously with the rushing of enemy reinforcements to the Adriatic front, the Nazi command threw fresh units into the Fifth Army front at the western end of the line. It was disclosed that the 24th American Infantry Division is with the Fifth Army of Lt. Gen. Mark W. Clark.

The town of Rocca San Giovanni, two miles inland from the Adriatic and more than four miles beyond the Sangro river, was overrun in Montgomery's "colossal crack" at the Nazis across battlefields of smashed equipment.

In addition to more than 1,000 able-bodied prisoners already counted, Montgomery's headquarters announced that the Germans left behind many dead and large numbers of wounded now being treated in British hospitals.

Fossaccia to Ronciglione is now in Allied hands after "heavy fighting," the Allied communiqué said, with a "particularly fierce" engagement having been fought for Fossaccia.

BULLETINS

Washington, Dec. 2—(P)—Secretary of War Stimson reported today that American army casualties from the beginning of the war to November 15 were 94,918, bringing the total announced casualties for all branches of the armed forces to 126,969.

Allied Headquarters, Algiers, Dec. 2—(P)—Spitfire pilots today reported seeing numerous demolitions in the vicinity of Cassino, key point on the Via Cassina, main highway to Rome, perhaps in preparation for withdrawal in the face of relentless pressure of Lt. Gen. Mark W. Clark's American and British forces.

Chungking, Dec. 2—(P)—Chinese troops were reported to be tightening a noose around a Japanese force in northern Hunan today after occupying six towns and driving the enemy out of the important city of Changchun in fierce fighting.

London, Dec. 2—(P)—Yugoslav partisans have inflicted a crushing defeat on the Germans in southwestern Slovenia, in which the enemy lost 3,600 men in killed and wounded, a communique broadcast by the Yugoslav army of Liberation reported today.

London, Dec. 2—(P)—Britain will start drafting men for the coal mines shortly, Ernest Bevin, minister of labor and national service announced in the house of commons today.

Grange Hears Of Brazilian Home Custom

Members of Warren Grange, No. 1025, assembled in IOOF hall last evening for their regular session, draped the charter in memory of the late Clyde S. Knapp, former superintendent of Warren county schools, and conducted a memorial for him.

After the opening song and routine transactions, candidates were balloted on and an auditor and three directors were voted for. Plans were made for the next meeting, to be held at 7:30 p. m. December 15, with initiation in the first and second degrees and the annual Christmas program and party.

Mrs. Arnold, Mrs. Zollinger and Mrs. Mack were appointed as a refreshments committee for that meeting and members who plan to bring children were asked to notify Mrs. Elmer Ploss or Mrs. Chase Johnson so that gifts and a treat might be arranged. Adult members will exchange 25 cent gifts.

For last night's program, members enjoyed a talk on Brazilian customs given by Mrs. Z. Magno de Carvalho, native of Rio de Janeiro.

Here Is Our Delivery Schedule

No relaxation has been granted by the Office of Defense Transportation. We are therefore obliged to continue our present delivery schedule during the current season. Deliveries will be made only twice each week—on Wednesdays and Saturdays. On each of these days, the EAST delivery will be made in the morning, the WEST delivery in the afternoon. Only those packages defined as "deliverable" under O. D. T. regulations will be delivered. Here are the specifications:

1. The package must weigh more than 5 pounds, or—
2. The package must measure more than 60 inches in combined girth (distance around the package) and length (one-way measurement of the longest side).

Packages may be combined to meet the above specifications. In other words, if you have three packages which separately would not be "deliverable", they will be delivered if, when tied together, they meet the above requirements. No packages not meeting these requirements will be delivered.

Deliveries to North Warren will be made not more than once a week and then only if sufficient merchandise has accumulated to make a load according to O. D. T. regulations.

No other out-of-town deliveries of ordinary merchandise will be made. However, large orders of appliances, rugs, linoleum, and kindred items, will be specially delivered.

Invalids and other house-bound individuals will receive special consideration by calling 1320 and asking for Mrs. Clark.

SUGAR GROVE

Sugar Grove, Dec. 1—The Presbyterian Sunday school had their annual service at which the members presented the Christmas gifts to be sent to a school for colored children at Bamberg, S. C. Sunday morning. The program was arranged by Mrs. Lottie Duell, superintendent of Christian Education and consisted of music, scripture readings and prayer by the members of the entire school.

An old fashioned Thanksgiving dinner was served at the Stilson Hill church, Thanksgiving Day. Devotions were conducted by Rev. Armstrong of Warren. Members and former members of the community were in attendance from

Warren, Union City, Youngsville, Corry, Spring Creek, and Sugar Grove.

The Child Health Center for Sugar Grove, will be open at the home economics house, Wednesday, December 8th at two thirty o'clock.

Mrs. Charles White entertained the members of the Bridge Club, at her home Monday evening. Three tables of bridge were played with prizes going to Mrs. R. E. Abbott and Mrs. Frank Dorn.

Joseph Thorpe, seamen's second class, has completed his boot training at Great Lakes, Ill. and is spending a fine day leave with his wife and daughter and parents, Mr. and Mrs. F. H. Thorpe.

Fifteen year old Jack Abbott, was the most youthful hunter in Sugar Grove to succeed in kill-

ing a deer on the opening day of the season. He was hunting with his father in the vicinity of Sandstone Springs.

Mr. and Mrs. Warren Abbott of Enola, Pa., are guests of their parents, Mr. and Mrs. J. E. Abbott. The men are spending a part of the vacation at their camp on the Warren-Tidioute Road.

Mrs. Ernest Anderson and daughter Martha, of Jamestown, have been spending a few days with her parents, Mr. and Mrs. Donald Haggerty.

Mrs. Catherine Frank and daughter Hortense and Mr. and Mrs. Allan Frank were Sunday guests of Mr. and Mrs. Max Pickard, at Bemus Point.

Mrs. William Duff, of Warren and Kenneth Williams of Buffalo and their families were called here

over the weekend by the serious illness of their father W. W. Williams.

Miss Josephine Rieker was the Thanksgiving holiday guest of her niece Mrs. Herbert Ewer and family at Rochester, N. Y.

Mrs. Lucy Scott is spending some time with a family near Watts Flatts.

Relatives have received letters telling them of the meeting of two boys from this community serving in the Seabees, somewhere in the South Pacific. Arthur Engstrom, son of Arthur Engstrom, Chandlers Valley, and Stuart Anderson, son of Mr. and Mrs. Stuart Anderson of Sugar Grove.
